Professor Rex I. F. LI

Founder, School Vice-Supervisor, Curriculum Director (Honorary)

Professor Li is a pioneering educator of the gifted and a psychologist. He received a Doctor of Education from Teachers College, Columbia University. Being the founder of the Gifted Education Council, G.T. College, and the Hong Kong Mathematical Olympiad School, he serves as a consultant and advisor to many local and overseas institutions. He was appointed Visiting Professor in the Institute of Psychology at the Chinese Academy of Sciences (1997) and Dewey Centre of Fudan University, Shanghai (2016).

Professor Li is Chief Editor of *John Dewey's Selected Works and Research MI*, and author of many scholarly works, the latest being *Rediscovering John Dewey: How his psychology transforms our education* (Palgrave Macmillan, 2020). He also has his academic webpage (profexli.com) for his readers and the general public.

Dr. Desmond Y. T. LEE

School Supervisor

Dr. Lee was an Elected District Board Member (1985–2015) and was a Legislative Council Member (1985–1988). Before his retirement, he was Senior Assistant Registrar of the Hong Kong Polytechnic University. He has a spectacular track record of public service and an extensive network with the government and the community. He holds honorary doctoral degrees in Management and is an Honorary Consul for Fiji Islands in Hong Kong.

Professor King L. CHOW

School Board Chairman

Professor Chow is an accomplished university administrator and educator. He received his PhD in Cell Biology from Baylor College of Medicine. His own research focuses on molecular genetics, neural development, synthetic and evolutionary biology on diverse model organisms. He has researched extensively in a variety of areas of pedagogy including exploratory project course, MOOC and extensive flipped classes, and was awarded the Science School of Teaching Award and the Michael G. Gale Medal of distinguished teaching at HKUST. He also heads the Center for Development of the Gifted and Talented in UST.

Professor Chow has served as the Academic Director of the Common Core Program, the Director of Interdisciplinary Programs Office, and also the Dean of Students.

Professor Raymond K. W. TAM

Education Director, Principal

Dr. Tam graduated from the University of Alberta (Canada), and he obtained his Bachelor of Science in Engineering Physics (Distinction) as well as his Master of Science in Electrical Engineering. He then engaged in gifted education and received his Doctor of Education from the University of Bristol (U.K.).

Dr. Tam is a devoted school administrator with vision and vigour. He aims to provide quality education for gifted and talented youths. Dr. Tam works in the frontline to promote STREAM (Science, Technology, Reading, Engineering, Arts, and Mathematics) education. Dr. Tam is the Chairman of the Gifted Education Council (Hong Kong), which organizes international events. He networks with renowned schools from various countries to nurture students' global vision. He enjoys reading and writes articles for major Chinese and English newspapers in Hong Kong, commenting on education, politics, social policies, and school administration. He wishes to promote gifted education, particularly in Hong Kong and mainland China.

Mr. Paul W. S. CHAN

Consultant

Mr. Chan graduated from the Chinese University of Hong Kong (CUHK) in 1982, majoring in Mathematics and minoring in Statistics. He later obtained a Postgraduate Diploma in Education from the CUHK. He has been Panel Chairman of Mathematics at secondary schools for 40 years. Being a versatile and learned person who is fond of reading and pursuing multidisciplinary knowledge, he has great achievements in sports, chess, and an appreciation of precious stones. In addition, he has practised Wing Chun for more than 20 years. Now, he is the governor of the Hong Kong Wing Chun Athletic Association and has contributed significantly, especially to the training course for judges of the Wing Chun competitions.

Mr. Benny H. S. LAI

Vice-Principal

Mr. Lai graduated from the Hong Kong Polytechnic University with a Bachelor's Degree in Electronic Engineering. He later obtained a Master's Degree at the Chinese University of Hong Kong and a Postgraduate Diploma in Education from the Hong Kong Institute of Education. Mr. Lai has rich work experience in multinational companies. He now teaches Mathematics and works on the moral development of students.

Mr. Jerwa K. Y. IP

Vice-Principal (China Development)

Mr. Ip graduated from the Chinese University of Hong Kong with a Master's Degree in Social Science in Global Political Economy and a Bachelor's Degree majoring in Economics and minoring in Government and Public Administration. He was the president of the Hong Kong Association for Economics Education. He was a setter and marker of the Hong Kong Diploma of Secondary Education Examination. He was recently invited by the Education Bureau to hold a seminar to share teaching skills with other Economics teachers.

Mr. Leo H. K. TSUI

Vice-Principal (International Development), Department Head of International Exchange, Department Head of Research and Training, Chief English Panel Head

Mr. Tsui received his secondary and tertiary education in Australia. He obtained a Bachelor of Business at the Queensland University of Technology. After returning to Hong Kong, he completed a Postgraduate Diploma in Education at the Chinese University of Hong Kong. He also successfully attained the Language Proficiency Assessment for Teachers. He is familiar with the local syllabus and has years of experience in preparing students for public examinations. Mr. Tsui intends to bring out the best in his students by accommodating their individual learning differences.

Mr. Richard C. W. YIU

Vice-Principal

Mr. Yiu graduated from the Hong Kong Institute of Education with a double major in Physical Education and Mathematics. He thereafter obtained his Bachelor of Education and Master of Science in Computer Science at the University of Hong Kong. He endeavours to provide students with useful information regarding physical activities in order to promote lifelong physical fitness, health, and recreation.

Mr. Alex K. C. O

Assistant Principal, Physics Panel Head, Class Teacher of 9B

Mr. O obtained a Master of Philosophy in Theoretical Physics from Hong Kong University of Science and Technology, and a Bachelor of Science (Honors) in Physics and a Master of Science in Mathematics, from The Chinese University of Hong Kong. He has been teaching HKDSE and IB Physics for many years. At school, Mr. O leads students to participate in the Hang Lung Math Awards, YAU S.T. High School Science Awards, Math Olympiad and Physics Olympiad teams for inter-school competitions. He has established the STEM gifted program and started leading STEM research projects since 2017. Mr. O has been a committee member of Hong Kong Physics Olympiad for many years, and he served as a marker in the Asian Physics Olympiad 2016. Recently, Mr. O started his part-time PhD program in AI Math and established an AI research team at school.

Dr. Christine K. Y. YU

Assistant Principal, Biology Panel Head

Dr. Yu obtained a Doctor of Philosophy in Biological Science from the University of Hong Kong. Her doctoral research focused on plant biochemistry and metabolic engineering. She has rich experience in mentoring students on authentic research projects and excels in different national and international STEM project competitions and Olympiad contests. She has been collaborating with universities and high schools to promote the sustainable development of STEM education. She was awarded the “Top 10 STEM Teacher Award” in 2020 and “Outstanding STEM Teacher Award” in 2022. She is committed to inspiring students to explore and appreciate the fascinating world of biological science.

Dr. Vincent Y. K. TAM

Assistant Principal, Department Head of International Baccalaureate, IB Coordinator, Class Teacher of 12A

Dr. Tam received a Master of Philosophy and a Bachelor of Science in Biology, and a Postgraduate Diploma in Education from the Chinese University of Hong Kong. He also obtained a Doctor of Philosophy in Biological Sciences from the University of Maine, where he focused his research on population and evolutionary genetics. Dr. Tam became a postdoctoral researcher at the University of Hong Kong in 2002 and has been teaching biology since 2004. He believes that both knowledge development and personal growth of teenagers are equally important in school education.

Mr. King K. F. LAU

Department Head of Humanities, Chinese History Panel Head, Head of Parents Liaison Group, Head of Alumni Association, Head of Teacher Representative Group

Mr. Lau received a Master of Philosophy and a Bachelor of Arts in History from the Chinese University of Hong Kong. He later obtained a Postgraduate Diploma in Education from the Chinese University of Hong Kong. He is a co-author of a Chinese history reference book for the HKDSE Curriculum.

Mr. Anselm C. M. KWOK

Department Head of Science and Mathematics, Head of Teaching & Assessment Group, Vice Head of IB Department, IB CAS and TOK Coordinator, Class Teacher of 11A

Mr. Kwok received a Master of Philosophy and Bachelor of Science in Physics with First Class Honours from the Chinese University of Hong Kong. He has been a teacher of Physics, Chemistry, Mathematics, TOK, CAS and Integrated Science for over twenty five years. He is also the author of several reference books of Physics, Mathematics, Economics and TOK, and a reviewer of Physics textbooks.

Dr. Clara M. L. CHENG

Department Head of Research and Training, English Language Panel Head (Senior Form),
Acting Head of Publication and Promotion Group

Dr. Clara Cheng holds a Bachelor of Arts in English and a Master of Philosophy in English Literary Studies from the Chinese University of Hong Kong (CUHK), and earned her Doctor of Education from the University of Bristol, UK. Dr. Cheng's research interests include gifted and talented education, case study methodology, teaching pedagogy, learning effectiveness, and school management. She serves as the Editor-in-Chief of *Research MI*, an academic journal dedicated to advancing inquiry in gifted and talented education. Since 2023, she has also served as a peer reviewer for the American Educational Research Association (AERA), a leading U.S.-based organization committed to excellence in educational research.

Dr. Salson K. H. TO

Department Head of Arts and Sports, Panel Head of Physical Education,
Vice Head of Talent Development Group

Dr. To received a Bachelor of Science from California Baptist University, a Master's Degree in Exercise Science at the Chinese University of Hong Kong and a Doctor of Philosophy from Nang Yan College. He is experienced in various sports. He obtained his International Tchoukball (B License) coaching qualifications from the International Tchoukball Federation and was appointed Head Coach of Hong Kong Men's Team from the Hong Kong Tchoukball Association. He also obtained his coaching qualification (Level 3) from the Handball Association of Hong Kong.

Ms. Sura S. W. NG

Head of Moral Education Group, Head of Admission Group, Chinese History Teacher

Ms. Ng obtained a Bachelor of Arts in History and a Postgraduate Diploma in Education in Liberal Studies from the Chinese University of Hong Kong. Ms. Ng adopts a flexible teaching and learning approach in history and cultural studies. She received the certificate course on Student Guidance and Discipline from the Chinese University of Hong Kong.

Dr. Keff C. H. CHIN

Head of Teaching & Learning Group, DSE Math and M2 Coordinator, Class Teacher of 12C

Dr. Chin is a dedicated and detail-oriented educator with over 15 years of lecturing and coaching experience. He has been frequently invited as a guest speaker in RTHK programmes to share the exam strategies and tactics with candidates. As a scientist in electronic engineering, he is the recipient of several awards, including the Outstanding Research Thesis Award at the City University of Hong Kong and the First Runner-up in the Younger Members Exhibition / Conference at the Institution of Engineering and Technology Hong Kong. His invention on antenna design has been granted a US Patent.

Ms. Katrina T. Y. WONG

Acting Panel Head of Chinese Language, Vice Head of Teaching & Learning, Class Teacher of 12B

Ms. Wong graduated from the University of Hong Kong with a Bachelor's Degree in Language Education. She then obtained a Master Degree of Arts in Chinese Language and Literature at the Chinese University of Hong Kong in 2015. She has over 10 years of teaching and school support experience. She loves interactive reading and creative writing. She also encourages students to 'ask questions' from time to time.

Mr. David T. W. CHAN

Head of National Education Group, Head of Club and Interest Group, Geography Panel Head, Head of Extra-Curricular Activities

Mr. Chan received a Bachelor of Arts in Geography and Sociology from the University of Hong Kong and a Postgraduate Diploma in Education in Geography and a Master of Education from the Chinese University of Hong Kong. He has also been actively involved in organising various kinds of student activities for G.T. students. He is also experienced in teaching IB, IGCSE and DSE. He believes that diligence, proactivity, endurance, having good health and positive attitude are the key factors for success. He also believes that good interpersonal relationship and communication techniques is essential element for the success of our future leaders.

Mr. Lawrence C. M. CHENG

Panel Head of Integrated Science

Mr. Cheng received a Bachelor of Science in Biology from the University of British Columbia. He later received Graduate Certificates in Public Health and Environmental Management from Harvard University. He then obtained a Master's of Liberal Arts in Biology from Harvard University and conducted epigenetic research for the benefit of mankind. With his diverse academic qualifications and work experience in overseas hospitals and local medical laboratories, he inspires his students to see the world from a wide perspective.

Ms. Winnie W. Y. AU

Panel Head of Citizenship and Social Development, Head of School Functions Group, Vice Head of Moral Education Group, Vice Head of International Exchange (China), Class Teacher of 7B

Ms. Au received a Master of Social Sciences in Psychology (Schools and Community Settings) from the Education University of Hong Kong, a Postgraduate Diploma in Education from the University of Hong Kong and a Bachelor of Social Sciences in Contemporary Social Issues and Policies from the Lingnan University.

Ms. Queenie S. L. LIU

Panel Head of Music, Head of Special Education Needs (SEN) Group, Head of Talent Class, Class Teacher of 9F

Ms. Liu received a Master's Degree in music composition from the Hong Kong Academy for Performing Arts, a Postgraduate Diploma in Education (Music) from the Chinese University of Hong Kong and an Advanced Certificate in catering for diverse learning needs from the Education University of Hong Kong. She is a qualified IB DP (Music) teacher and experienced HKDSE (Music) teacher. She has rich working experience in different musical forms. Ms. Liu received several scholarships and prizes during her studies and teaching.

Ms. Daisy K. Y. YUNG

Panel Head of Visual Arts, Class Teacher of 7F

Ms. Yung obtained a Bachelor's Degree in Visual Arts and a Postgraduate Diploma in Education (Visual Arts) from the Hong Kong Baptist University. She attained the Youth Artist Award after graduating. She also obtained a Certificate in Applied Arts and Therapy Practitioner. She is convinced that "everyone can fly high and shine." Her goal is to use art to help others understand their own thoughts and feelings and develop students' talents.

Ms. Lisa L. S. GUAN

Panel Head of Putonghua, Head of International Exchange (China), Chinese Language Teacher

Ms. Guan graduated from The Education University of Hong Kong obtaining a Master of Arts in Chinese Studies (Language Education) with Distinction. Putonghua is Ms. Guan's mother language. She has got good results in the Putonghua Proficiency Test. Ms. Guan always tries to create a friendly learning environment that students enjoy.

Ms. Candy W. Y. TO

Head of Teaching and Assessment Group (Local & Internal), Mathematics Teacher, Class Teacher of 11B

Ms. To graduated from the Hong Kong University of Science and Technology with a Bachelor's Degree in Physics. She later received a Postgraduate Diploma in Education (Mathematics) from the Chinese University of Hong Kong. Ms. To has been teaching mathematics in GT for many years. She believes that teachers have a mission to enlighten students to achieve full potential and to guide them to develop a positive attitude to life.

Mr. Henry T. S. YIP

Head of School Development Group, Head of Further Studies Group, Head of Publication and Promotion Group

Mr. Yip obtained a Bachelor of Business Administration from the University of Hong Kong, double majoring in Marketing and Human Resources Management. He has founded two edtech companies and secured Cyberport funding during his early startup journey. At G.T. College, Mr. Yip is responsible for school development and external partnership management. He is also passionate about teaching humanities subjects, focusing on developing students' higher-order thinking and problem-solving skills.

Dr. Ken W. K. CHENG

Orchestra Advisor, Vice Head of School Functions Group

Dr. Cheng graduated from the CUHK. He later obtained a Master of Philosophy and a Doctor of Philosophy at the HKUST. Dr. Cheng has over 25 years of teaching experience, and has taught subjects ranging from Philosophy, Chinese Language, Chinese History, History, Citizenship and Social Development to Music. Apart from that, he has actively participated in music recitals. He conducted orchestral performances in two consecutive summers in Vienna, at the concert hall of the Vienna Boys' Choir in 2018, and at the Musikverein in 2019. He received his second Master degree (Music Education) in 2020.

Mr. Thomson C. W. NG

Vice Head of Moral Education Group, Vice Head of IB Department, IB EE Coordinator, Music Teacher, Geography Teacher

Mr. Ng received a Bachelor of Music (First Class Honours) from Monash University and a Master of Studies in Historical Musicology from the University of Oxford. After returning to Hong Kong, Mr. Ng pursued a Master of Arts in Cultural Management at the Chinese University of Hong Kong and a Postgraduate Diploma in Education at the Education University of Hong Kong (EdUHK). He has also been involved in the development of the Computerised Kinetic Chain Assessment and Learning System at EdUHK for learning Cantonese opera movements.

Mr. Steven M. C. CHAN

Panel Head of Chinese Language Junior Form, Vice Head of Special Education Needs (SEN) Group, Class Teacher of 11C

Mr. Chan obtained a Bachelor of Arts in Chinese and Literature, a Postgraduate Diploma in Education in Chinese Language and a Master of Arts in Chinese and Literature at the Baptist University of Hong Kong. He has over 10 years of teaching experience in secondary schools. His greatest belief in education is “A good teacher-student relationship, healthy personal growth, and good academic results complement one another.”

Dr. June J. LUO

Acting Panel Head of Mathematics

Dr. Luo graduated from HKUST with a Ph.D. in Mathematical Philosophy and holds a Postgraduate Diploma in Education from HKU. With exceptional analytical and logical reasoning abilities, she demonstrates a profound command of mathematical knowledge and extensive pedagogical experience. Her keen insight into students' academic needs enables her to cultivate an engaging and motivating learning environment. As a dedicated educator, she is committed to fostering intellectual growth and personal development among her students. Her expertise includes extensive teaching of the Hong Kong Diploma of Secondary Education (HKDSE) and the International Baccalaureate Diploma Programme (IBDP), with many students achieving distinguished results.

Mr. T. Y. WONG

Head of Multimedia Group, Chinese Language Teacher, Class Teacher of 9A

Mr. Wong graduated from the Chinese University of Hong Kong with a Bachelor's Degree in Education and a Bachelor's Degree in Arts. He obtained a Master of Sociology from Lancaster University in 2018. He loves creative writing and has received several awards for this. He loves writing lyrics, fiction, and poems. He hopes to help students develop their creative thinking and encourage them to enjoy writing. He also works as a director at school and hopes to produce more high-quality school videos and dramas.

Ms. Sabrina W. K. CHAN

Vice Head of Moral Education Group, Head of Students' Union, Chinese Language Teacher, Class Teacher of 10D

Ms. Chan graduated from the Education University of Hong Kong with a Bachelor's Degree in Chinese Language Education. She went to the Beijing Normal University to study Mandarin, and passed the National Putonghua Proficiency Test. She is proud to be a professional language teacher, being able to employ different teaching methods to inspire and motivate her students.

Ms. Alice W. M. CHAN

Acting Panel Head of Chemistry, Vice Head of Student Union, Class Teacher of 10B

Ms. Chan became a teacher after her graduation from the Chinese University of Hong Kong with a Bachelor of Science in Chemistry and a Master of Philosophy in Environmental Science. Having met great teachers in her school life, Ms. Chan is dedicated to nurturing students with care and patience. Ms. Chan guides students to appreciate the beauty of science and to realize how science is associated with our daily lives. She also encourages them to be inventors or problem solvers with a logical and creative mind.

Mr. Harvey T. M. LAM

Acting Panel Head of Economics

Mr. Lam graduated from the Chinese University of Hong Kong with a Bachelor of Social Science majoring in Economics and minoring in Education. He later obtained a Postgraduate Diploma in Education (Economics) from the University of Hong Kong. He is dedicated to fostering a supportive learning environment that encourages critical thinking, collaboration, and creativity among his students. His teaching goal is to inspire lifelong learners who are passionate and prepared to achieve success in their future endeavours.

Mr. Kwok Yeung WONG

Assistant Panel Head of Physical Education

Mr. Wong graduated from the Hong Kong Institute of Education with a Bachelor of Education in Physical Education. He is experienced in teaching various kinds of sports. He obtained the International Coaches of Volleyball (Level one) in 1997. He is also the coach of the EDUHK basketball team, Singtao basketball team and Winling youth basketball team. In 2018, Mr Wong was a part-time instructor in The Education University of Hong Kong, teaching the Theory and Practice of Teaching Basketball.

Ms. Tracey H. M. NG

Head of Talent Development Group, Head of Elective Day, Biology Teacher, Class Teacher of 8B

Ms. Ng obtained a Bachelor of Science in Applied Biology with Biotechnology from the Hong Kong Polytechnic University. She is qualified as a laboratory technician and experienced in organizing different kinds of science workshops for students as well as the public. Apart from teaching, she would like to arouse students' interest in science and inspire them to learn from their daily life.

Mr. Danny George SORBY

English Language Senior Form Coordinator, English Language Teacher

Mr. Sorby obtained a Bachelor of Arts in English Studies from Sunderland University and a Master Degree in Applied Linguistics from the University of Birmingham. He holds a PGCE from Leeds Beckett University and a specialist training certificate for teaching ESL learners (CELTA). He is currently reading towards a Master Degree in Modern English Literature. He has been living and working in China since 2016 in different school contexts. He has a strong interest in languages and is an avid reader of literature. In terms of pedagogy, he is a believer in nurturing effective learning mindsets, where intelligence and talent are not a given but something that needs to be nurtured in each student.

Mr. Farman ALI

English Language Junior Form Coordinator, IB English Language Coordinator, English Language Teacher

Mr. Farman graduated from the University of Hong Kong (Centennial College) with a Bachelor's Degree in Language and Communication with 1st class honours and completed a Master of Arts in Literary and Cultural Studies at the University of Hong Kong. He also broadened his teaching ability by doing CertTESOL offered by the Trinity College of London and pursued a Postgraduate Diploma in English Language Education from the Education University of Hong Kong with distinction in Teaching Practice. He encourages a learner's approach for students to become independent learners.

Ms. Esther C. Y. CHAN

Vice Head of International Exchange, English Language Junior Form Coordinator, English Language Teacher

Ms. Chan received her tertiary education in Australia. She obtained a Bachelor degree at the University of Queensland and completed the PGCE programme (English Language). She believes cooperative learning is the best way to motivate students in the classroom, and she is passionate about creating different group activities.

Mr. Max W. L. YIU

Vice Head of Moral Education Group, Chinese Language Teacher, Class Teacher of 12D

Mr. Yiu graduated from the Education University of Hong Kong with a Bachelor's Degree in Chinese Language Education. He has a strong interest in Pre-Qin Philosophy, composing classical or modern poetry, calligraphy and recitation. He was the guest speaker of the online programme (The Techniques of Recitation) offered by EdUHK.

Mr. Huntley Y. H. TAM

Vice Head of IT Group, Mathematics Teacher, Class Teacher of 8D

Mr. Tam graduated from The Hong Kong University of Science and Technology, majoring in biotechnology. He had worked at Ling Nam Medicine Factory and Vitargent (International) Biotechnology. He believes that all students are gifted or talented in one or more aspects. So, he tries to maximize students' potential by encouraging them to discover their talents. Table tennis is one of Mr. Tam's favorite sports.

Mrs. Vanessa Gadzieva

Head of Talent Class, Vice Head of Parents Liaison Group, Music Teacher

Mrs. Gadzieva graduated from the Hong Kong Baptist University with a bachelor's degree in music majoring the piano. She later obtained a Master of Arts in Music at The Chinese University of Hong Kong. She has also worked as an associate director and a collaborative pianist in Hong Kong International School high school choirs for 6 years. The choir was selected as the featured choir in Festival at Carnegie Hall: National Youth Choir in 2019.

Ms. Angel H. T. WONG

Head of Sports Friday, Physical Education Teacher, Class Teacher of 7D

Ms. Wong graduated from the Hong Kong Baptist University (HKBU) with a Bachelor of Sport and Recreation Leadership. She later obtained a Postgraduate Diploma in Education from HKBU. She attained the Hong Kong Volleyball Coaches (Level one) in 2021. Now, she is a volleyball player in New Youth Volleyball Team (League A1), and also the coach of New Youth Junior Volleyball Team.

Mr. Antony C. S. LEE

Vice Head of Further Studies Group, Mathematics Teacher, Class Teacher of 10A

Mr. Lee received his Bachelor of Science in Electrical Engineering from the University of Michigan. He also obtained a Master of Business Administration from the Hong Kong University of Science and Technology. Besides the curriculum, he believes teaching students the soft skills is equally important both for their further studies and career.

Ms. Rachel Y. J. LAM

Vice Head of Admission Group, Biology Teacher, Class Teacher of 9C

Ms. Lam obtained a Biological Science degree at Royal Holloway University of London, as well as a Postgraduate Certificate in Education at the University of Sunderland. Her teaching philosophy is that all students are gifted. She aspires to bring out the uniqueness in students and to stimulate students' learning.

Ms. Jacqueline Y. K. KWOK

Vice Head of School Development Group, Chemistry Teacher, Class Teacher of 9E

Miss Kwok has a Bachelor's degree in the Education of Science (Hons.), majoring in Chemistry and Biology. Miss Kwok is a diving lover, she is also experienced in doing field work for marine science of the AFCD (Agriculture, Fisheries and Conservation Department). As an alumna of G.T. College, she is grateful for the opportunity to join the G.T. family again. She believes with her passion for teaching, students can find interest in Chemistry.

Ms. Stephanie P. Y. CHAN

Vice Head of ECAG, Chinese History Teacher

Ms. Chan received a Master of Arts in Chinese Language and Literature from the Hong Kong Polytechnic University. She also obtained the Postgraduate Diploma in Education in Chinese Language from the Chinese University of Hong Kong. She is experienced in teaching Chinese History and Putonghua. She hopes to enhance students' interest in Chinese history by using flexible teaching methods.

Mr. Kevin P. L. TSANG

Acting Panel Head of Citizenship, Economics and Society, Economics Teacher, Class Teacher of 8A

Mr. Tsang graduated from the University of Hong Kong with a Bachelor's Degree in Economics and Finance. He received several scholarships and awards during his studies. Mr. Tsang also has exchange and living experience in Australia, New Zealand, and Mainland China. He enjoys arts, sports, and travelling.

Mr. Alfred S. O. CHUNG

Integrated Science Teacher, Class Teacher of 7A

Mr. Chung graduated from the University of Hong Kong with a Bachelor of Education and Bachelor of Science. Mr. Chung has taught Chemistry and Junior Science for a few years. He enjoys the amazing science-related videos discussions. As a teacher, he looks forward to having interactive lessons with students.

Ms. Yoyo N. Y. HAR

Chinese Language Teacher, Class Teacher of 7A

Ms. Har graduated from the Chinese University of Hong Kong with a Bachelor of Chinese Language Studies and a Bachelor of Chinese Language Education. Committed to lifelong learning and passionate about sharing knowledge, she strives to make a meaningful difference in students' lives by nurturing their uniqueness and inspiring their learning.

Ms. Siyu ZHOU

Mathematics Teacher, Class Teacher of 7B

Ms. Zhou obtained a Bachelor of Education in Mathematics from The Education University of Hong Kong, as well as a Master in Psychology from The Chinese University of Hong Kong. She believes that mathematical knowledge should be acquired through conceptual understanding. She believes the most important thing in mathematical education is developing students' independent and logical thinking skills, so that students can think and make decisions for themselves in life.

Mr. Colman C. M. WONG

Visual Arts Teacher, Class Teacher of 7C

Mr. Wong graduated from the City University of Hong Kong with a degree in Creative Media (New media in basic art and science). He is good at photography, filming, and video editing. He wants to present a different method of art through multi-media.

Ms. Claudia M. MASSEY

Biology and Integrated Science Teacher, Class Teacher of 7C

Ms. Massey graduated from the University of Western Australia with a Bachelor of Science (Honours) in Biochemistry and Genetics. She received her Postgraduate Diploma in Teaching from the University of Melbourne. She believes that discussion can empower students to think more deeply about Biology and Integrated Science and reach their full potential.

Ms. May Y. S. LEUNG

English Language Teacher, Class Teacher of 7D

Ms. Leung graduated from the Hong Kong Polytechnic University with a Bachelor's degree in Business Administration (BBA) in Accountancy. She then obtained a Postgraduate Certificate in Education (PGCE) from the University of Sunderland. Dedicated to lifelong learning and a enthusiasm for exchanging knowledge, Ms. Leung is prepared to make a meaningful impact on the lives of the students.

Ms. Doris S. F. CHEUNG

Mathematics Teacher, Class Teacher of 7E

Ms. Cheung graduated from the Hong Kong Polytechnic University with a Bachelor of Science in Prosthetics and Orthotics. She then obtained a Postgraduate Diploma in Education (Mathematics and Science) and a Master of Mathematics Education from the Chinese University of Hong Kong. She has been a teacher of Mathematics, Integrated Science, Biology, Music and Computer. She is a Christian; she loves music and nature. Other than knowledge, she believes that nurturing students' integrity is important too.

Ms. Chloe H. Y. WONG

English Language Teacher, Class Teacher of 7E

Ms. Wong graduated from The Chinese University of Hong Kong with a Bachelor of Arts in English and obtained a Postgraduate Degree of Education in Hong Kong Baptist University. She does not believe forcing students to study passively and believes that the most effective way for students to learn is by enjoying the learning process and taking charge of their own education.

Ms. Rajwinder GILL

English Language Teacher, Class Teacher of 7F

Ms. Rajwinder has obtained a Bachelor of Arts (Hons) in English for International Corporate Communication from University of Central Lancashire. She has received her Postgraduate Certificate in Education (English Language) from the University of Sunderland. Her goal is to create engaging learning experiences through an environment that fosters creativity, curiosity, and kindness.

Ms. Yentl Rose Pagan SWARTZ

English Language Teacher, Class Teacher of 8A

Ms. Yentl Swartz combines expertise in nature conservation and education to drive meaningful changes. With a Bachelor's in Nature Conservation from Nelson Mandela Metropolitan University and a cum laude Post Graduate Certificate in Education, she brings a unique skill set to her work. Her experience across conservation and education sectors equips her to inspire action and foster sustainability for future generations.

Mr. Kenneth C. K. NG

Economics Teacher, Class Teacher of 8B

Mr. Ng graduated from the Hong Kong University of Science and Technology with a Bachelor's Degree in Finance and Information Systems. He later obtained a Postgraduate Diploma in Education (Economics) from the University of Hong Kong. He enjoys exploring various forms of art such as music, architecture, paintings and textile, while engaging in physical activities such as volleyball to maintain a healthy lifestyle.

Mr. Leon K. H. MANG

Chinese Language Teacher, Class Teacher of 8C

Mr. Mang graduated from the University of Hong Kong with a Master's Degree in Chinese Language and Literature and currently studying towards a Postgraduate Diploma of Education in Chinese Language (Secondary). He has a strong interest in Chinese philosophy and comparative literature. He believes that Chinese Language in Secondary school is not merely a mean for public examinations but also an end for students to cultivate their moral values.

Mr. Michael J. CARR

English Language Teacher, Class Teacher of 8C

Mr. Carr obtained a BSc in Sports Science in the faculty of Sport and Health from Durham University. He completed 2 years in professional rugby before arriving in Hong Kong. His teaching philosophy is that all students can learn, it is the teacher's duty to show them how.

Ms. Peggy Z. O. ZHANG

Chinese Language Teacher, Class Teacher of 8D

Ms Zhang graduated from Hangzhou Normal University in Mainland China, majoring in Chinese Language and Literature. After her undergraduate studies, she completed her master's degree at Hong Kong Baptist University, specializing in Chinese language, literature and culture. She is passionate about teaching Chinese and hopes that every student can learn Chinese more happily and enjoy their Chinese lessons.

Mr. Shaun LI

English Language Teacher, Class Teacher of 8E

Mr. Li obtained a Bachelor of Commerce in Advanced Management and Human Resources from The University of The Witwatersrand, South Africa. He has also completed a Level 5 Teaching English as a Foreign Language (TEFL) course from TEFL Academy UK. His philosophy is that everyone learns something new every day, no matter how young or old they are.

Dr. Danna HU

Chemistry Teacher, Class Teacher of 8E

Dr. Hu obtained a Master of Science degree from the University of Hong Kong and a Doctor of Philosophy degree in Chemistry from the Chinese University of Hong Kong. Her doctoral research focused on the characterization of C=C bonds in unsaturated fatty acids using tandem mass spectrometry. She believes that fully understanding chemistry requires a deep curiosity.

Ms. Kiki Y. H. HO

Mathematics Teacher, Class Teacher of 8F

Ms. Ho Graduated from the Chinese University of Hong Kong with a Bachelor's Degree in Statistics. She acquired various working experiences from both corporates and local schools, before settling in the field of education. Ms. Ho believes in the effect of interactive teaching, and she strives to make her lessons engaging by making use of real-life examples. Her ambition is to make Mathematics appealing to all students.

Mr. John Y. C. LAM

English Language Teacher, Class Teacher of 8F

Mr. Lam graduated from the University of California, Los Angeles with a Bachelor of Arts in Linguistics and English. Having studied abroad in a more student-centred environment, he is an enthusiastic advocate of a fun and lively classroom where learning is not only educational but also enjoyable. In addition to the bachelor's degree, Mr Lam obtained his Postgraduate Diploma of Education from Chinese University of Hong Kong, equipping him with the pedagogical strategies necessary to incorporate interactive activities and multimedia resources into his lessons to bring out the best in each individual.

Ms. Carina J. WU

Chinese Language Teacher, Class Teacher of 9D

Ms. Wu graduated from the City University of Hong Kong with a Master's is Degree in Chinese Language and Literature. She obtained a Postgraduate Diploma of Education from the Education University of Hong Kong. She passed the Language Proficiency Assessment for Teachers (Putonghua) and got the Certificate of Merit from the EDB. She has a strong interest in reading, Chinese zither and Chinese culture. She hopes to help students feel the charm of Chinese language and culture, and nourish their minds through Chinese learning.

Mr. Cyril S. H. SZETO

Physics Teacher, Class Teacher of 10C

Mr. Szeto graduated from the University of Hong Kong with a Master's degree in Education, a Postgraduate Certificate in Advanced Educational Studies (Gifted Education), and a Bachelor's degree in Science (Physics). He was a committee member of the Hong Kong Physics Olympiad from 2002 to 2016 and participated in the International Physics Olympiad 2008 as an Observer for the Hong Kong Team. He also served as a Setter, Marker and Assessor of the HKCEE. He was also one of the Setters of the HKDSE Practice Paper. Mr Szeto is the first secondary school teacher awarded the Green Achiever by the Environmental Campaign Committee.

Ms. Allison H. Y. CHAN

Chemistry Teacher, Class Teacher of 11D

Miss Chan obtained a Bachelor of Science in Chemical Technology from the Hong Kong Polytechnic University. She worked as a laboratory technician for 2 years and experienced in organizing interesting science activities by applying scientific knowledge in our daily life. She also participated in scientific research projects during her undergraduate studies. She believes that every road leads to Rome as long as we take the chance.

Ms. Claudia Repiso Cruz

English Teacher & Third Language Coordinator

Claudia has obtained a Bachelor in Translation and Interpretation from the University of Malaga in Spain and was an exchange student in Duksung Women's University in South Korea. With 10 years of experience teaching English, Spanish, French, and German she has focused on providing high-quality instruction through creative themed activities in both face-to-face and online lessons. In addition to her enthusiasm in learning languages, Claudia has a passion for arts, she has illustrated two children's books and loves to create animations and her own teaching materials.

Dr. Paul C. H. LIP

English Language Teacher

Dr. Lip lived in Melbourne, Australia, for over ten years. He taught at a post-secondary institution and a secondary school for eight years. He holds a Bachelor of Arts in Teaching English as a Second Language from City University of Hong Kong, and a Postgraduate Diploma in Education (English), a Master of Arts in Applied Linguistics from The University of Hong Kong and a Doctor of Philosophy in Education from Deakin University. He has been an action researcher to improve his teaching and has published and presented in the field of English language teaching and learning. He is a devoted Christian.

Ms. Mahikdeep KAUR

English Language Teacher

Ms. Kaur graduated from the Hong Kong Metropolitan University with a Bachelor of Education with Honors in English Language Teaching and Bachelor of English Language Studies with Honors (Double Degree). Having a passion of being an English teacher, she would love to motivate her students to love English and think of it as a fun subject to learn. She hopes to put some input in making students grow and thrive and be the best version of themselves.

Ms. Farrah X. F. ZHANG

English Language Teacher

Ms. Farrah holds a Master of Arts in International Language Education from the Hong Kong University of Science and Technology. With a passion for education, she believes teaching goes beyond textbooks—it is about empowering minds, fostering curiosity, and creating meaningful connections. Committed to lifelong learning, she strives to cultivate not just language skills, but also confidence, creativity, and a love for knowledge in every learner.

Mr. Etienne Terblanche

English Language Teacher

Mr. Terblanche graduated from Nelson Mandela University, South Africa, with a Bachelor of Arts in Media, Communication and Culture, majoring in Film and Visual Design. Coming from a multifaceted media background, he employs a creative approach in his teaching philosophy, inspiring creativity and nurturing alternative thinking.

Mr. Kelvin S. H. CHENG

Mathematics and Physics Teacher

Mr. Cheng obtained a Bachelor of Physics in Green Energy, Energy Management, and Smart Technology from the Baptist University of Hong Kong. He also minored in Information Systems and Business Intelligence. With ample teaching and STEM education experience, Mr. Cheng always aims to inspire students to apply their knowledge in real-world scenarios and work hard towards contributing to society in the future.

Ms. Emily W. K. WONG

Visual Arts Teacher

Ms. Emily Wong obtained a double Bachelor's Degree in Visual Art Education & Creative Art and Culture from the Education University of Hong Kong. She obtained the President's Honour List, Year Prize for Academic Excellence Award, and several scholarships. Ms. Wong is experienced in a wide range of artistic disciplines, including painting, drawing, theater production, photography and graphic design. As she believes, "Every child is an artist. The problem is how to remain an artist once we grow up." Ms. Wong's mission is to help students maintain their innate creativity through high-quality art education.

Ms. Stella X. S. SUN

Chinese Language Teacher

Ms. Sun graduated from Jilin Normal University with a major in Chinese Language and Literature. She has served as a Chinese Language teacher of Junior High and Senior High schools in Beijing for 20 years. Her notable achievements include: Honored as Outstanding Teacher in Educational Teaching and Research in the National Selection of Distinguished Schools with Unique Features, Advanced Practitioners in Specialized Education, and Outstanding Teachers.

Mr. Daniel L. M. CHOW

English Language Teacher

Mr. Chow graduated with a Bachelor's Degree in Linguistics and Language Application and a Postgraduate Diploma in Education (English) from local universities. Having taught in three secondary schools, he has also served as an adjudicator and organiser in territory-wide and inter-city debating tournaments and has coached his own team to multiple awards. He believes in a student-centred and research-based approach to preparing students for all challenges presented by society.

Mr. Nixon L. S. CHAN

Mathematics Teacher

Mr. Chan graduated from the University of Hong Kong with a Bachelor of Science in Mathematics. With over 13 years of teaching experience, he has guided over 72% of his students to achieve Level 5 or above in HKDSE Mathematics (Core and M2) in 2024 and 2025, while also teaching IB and GCE curricula. He coached 12 medalists in the 2025 TIMO. As an author, Mr. Chan's publication, Your Personal Coach Series, were used by over 30 schools. Invited by CASIO, he wrote a series of Calculator Programming Reference Books for HKDSE students. His "Less but Better" philosophy, along side with the use of animations and distinctive problem solving techniques, make his lessons engaging, inspiring students to excel in mathematics.

Mr. Jason C. H. MAN

Geography Teacher

Mr. Man graduated from The Chinese University of Hong Kong with a Bachelor of Social Science in Urban Studies, minoring in Geography and Resource Management. He has over four years of teaching experience in HKDSE Geography and is also the editor of a reference book tailored for the HKDSE Geography curriculum. Mr. Man is passionate about helping students understand the dynamic world around them through geographical perspectives. He believes that curiosity, critical thinking, and consistent effort are essential in nurturing academic growth and personal development.

Mr. Martin W. S. TANG

Geography Teacher

Mr. Tang received a Bachelor of Social Science in Geography and Entrepreneurship, Design and Innovation from the University of Hong Kong. He is passionate about interactive and inquiry-based teaching, using real-life examples and data analysis to engage students and foster critical thinking. Mr. Tang is also a Cantopop lover who enjoys playing the guitar and singing as his hobby.

Mr. Alvin L. Y. KONG

Economics Teacher

Mr. Kong graduated from Hong Kong University of Science and Technology with a Bachelor of Business Administration majoring in Finance and Economics. He obtained a Postgraduate Diploma in Education (Economics) from the University of Hong Kong. He is passionate about providing an interactive learning environment that encourages active student participation. His teaching goal is to instill a positive values and attitude, guiding students' academic and personal growth.

Mr. Jin J. S. KIM

Bio Research Teacher

Mr. Kim graduated from the University of Hong Kong with a dual degree in Bachelor of Education and Bachelor of Science, majoring in Molecular Biology and Biotechnology. He is particularly interested in plant physiology and biotechnology. He aims to inspire students to become little scientists with a great interest in and curiosity about exploring the world of biology.

Mr. Henry K. L. KOO

Assistant Teacher

Mr. Koo received his secondary and tertiary education in Sydney, Australia. He obtained a Bachelor degree from the University of Sydney. Mr. Koo believes in identifying each student's unique talents and learning styles to unlock their full potential.

Mr. Wilson W. S. KONG

Head of General Affairs Group, Head of IT Group, Senior Laboratory Manager - Physics and Integrated Science

Mr. Kong obtained his Bachelor of Social Sciences degree from the Hong Kong Metropolitan University. He enjoys working in the laboratory where he discovers the beauty of nature and gains valuable experience by conducting experiments. He believes that students can acquire a broader and deeper scope of scientific knowledge and improve their practical skills by doing experiments. He strives to arouse students' interest while enhancing their creativity and problem-solving skills by preparing and inventing various innovative experiments for them.

Ms. Selina S. N. CHO

Head of Time-tabling Group, Senior Laboratory Technician - Chemistry

Ms. Cho obtained her Bachelor of Science in Applied Science (Biology and Chemistry) from the Hong Kong Metropolitan University. Believing learning is a lifelong journey, she loves seeking knowledge and is willing to learn from everyday discoveries. Ms. Cho is enthusiastic about science and encourages students to explore science and life.

Ms. Phyllis M. W. CHAN

School Librarian

Ms. Chan obtained a Bachelor of Arts in Translation and Chinese Language and a Master of Arts in Chinese Linguistics from the Hong Kong Polytechnic University. She also received a Master of Applied Science in Library and Information Management from the Charles Sturt University, Australia, a Postgraduate Certificate in Education from the University of Hong Kong and a Diploma in Teacher Librarianship from the HKUSPACE. She is dedicated to fostering a vibrant, inclusive library environment that sparks curiosity, encourages exploration, and empowers students to grow into proficient learners.

Mr. Johnnie Y. K. WONG

Laboratory Technician – Biology

Mr. Wong graduated from the City University of Hong Kong with a Bachelor's Degree in Manufacturing Engineering. He has also obtained a Master's Degree in Material Technology from the City University of Hong Kong.

Mr. Alex S. Y. YIU

School Social Worker

Mr. Yiu graduated from Hong Kong Shue Yan University with a Bachelor's Degree in Counseling and Psychology. He later obtained a Master of Social Work Program from City University of Hong Kong. He genuinely enjoys working with young people and finds fulfillment in building meaningful relationships with them. Through these connections, he strives to foster a supportive and nurturing environment where young people feel empowered to express themselves, share their experiences and explore their personal growth.

Ms. Nestle L. Y. HUI

School Social Worker

Ms. Hui graduated from the University of Hong Kong with a Bachelor's Degree in Social Work and has attained a Certificate in the Use of Satir Growth Model in Individual and Family Therapy. She has worked in children and youth services over the past ten years. She is full of passion and well experienced in working with youth facing family, behavior, and emotional issues. She sincerely hopes to assist G.T. College's students to develop 3H's – Happiness, Health, and Hope – the positive personal growth and development.

Ms. Carina K. Y. LAU

Teaching Assistant of Physical Education and Special Education Needs Group (SEN)

Ms. Lau graduated from the Hong Kong Polytechnic University. She obtained a Level 1 Coach and Referee qualification from the Hong Kong Fencing Association. She believes physical activities can improve both physical and mental health, apart from relieving stress. This encourages her to promote students' participation in sports, enhancing their overall development.

Ms. Amelia Y. X. CHEN

Teaching Assistant of International Exchange Group (China)

Ms. Chen graduated from The Education University of Hong Kong with a Master's Degree in teaching. She is passionate about education and upholds the philosophy of "cultivating oneself, governing the family and nation, and bringing peace to the world." She emphasizes cultivating virtue and educating students through culture.

Ms. Moli S. H. NG

Teaching Assistant of Talent Development Group and Special Education Needs Group (SEN)

Ms. Ng graduated from the University of Hong Kong with a Bachelor of Arts in Chinese Language and Literature, minoring in Counselling. Passionate about education and mental well-being, she believes intellectual growth and emotional resilience are both vital for students' holistic development.
