Management & Teaching Staff Profile 2026-2027

Love • Creativity • Task Commitment

Professor Rex I. F. LI

Founder, School Vice-Supervisor, School Board Chairman, Curriculum Director (Honorary)

Professor Li is a pioneering educator of the gifted and a psychologist. He received a Doctor of Education from Teachers College, Columbia University. Being the founder of the Gifted Education Council, G.T. College, and the Hong Kong Mathematical Olympiad School, he serves as a consultant and advisor to many local and overseas institutions. He was appointed Visiting Professor in the Institute of Psychology at the Chinese Academy of Sciences (1997) and Dewey Centre of Fudan University, Shanghai (2016). He becomes Adjunct Professor of Chulalongkorn University of Thailand in 2024.

Professor Li is a frequently sought keynote speaker. He is Chief Editor of *John Dewey's Selected Works* and *Research MI*, and author of many scholarly works, the latest being *Rediscovering John Dewey: How his psychology transforms our education* (Palgrave Macmillan, 2020). He founded *Research MI*, an academic journal on multiple intelligences in 2020. He also has his academic webpage (profrexli.com) for his readers and the general public.

Dr. Desmond Y. T. LEE

School Supervisor

Dr. Lee was an Elected District Board Member (1985–2015) and was a Legislative Council Member (1985–1988). Before his retirement, he was Senior Assistant Registrar of the Hong Kong Polytechnic University. He has a spectacular track record of public service and an extensive network with the government and the community. He holds honorary doctoral degrees in Management and is an Honorary Consul for Fiji Islands in Hong Kong (1992 – 2024).

Dr. Raymond K. W. TAM

Education Director, Principal

Dr. Tam graduated from the University of Alberta (Canada), and he obtained his Bachelor of Science in Engineering Physics (Distinction) as well as his Master of Science in Electrical Engineering. He then engaged in gifted education and received his Doctor of Education from the University of Bristol (U.K.).

Dr. Tam is a devoted school administrator with vision and vigour. He aims to provide quality education for gifted and talented youths. Dr. Tam works in the frontline to promote STREAM (Science, Technology, Reading, Engineering, Arts, and Mathematics) education. Dr. Tam is the Chairman of the Gifted Education Council (Hong Kong), which organizes international events. He networks with renowned schools from various countries to nurture students' global vision. He enjoys reading and writes articles for major Chinese and English newspapers in Hong Kong, commenting on education, politics, social policies, and school administration. He wishes to promote gifted education, particularly in Hong Kong and mainland China.

Mr. Jerwa K. Y. IP

Vice-Principal, Department Head of Humanities,
Advisor of Admission Group, Advisor of Parent Liaison Group,
Advisor of Teaching & Learning Group, Advisor of Talent Development Group

Mr. Ip graduated from the Chinese University of Hong Kong with a Master's Degree in Social Science in Global Political Economy and a Bachelor's Degree majoring in Economics and minoring in Government and Public Administration. He was the president of the Hong Kong Association for Economics Education. He was recently invited by the Education Bureau to hold a seminar to share teaching skills with other Economics teachers.

Mr. Benny H. S. LAI

Vice-Principal, Head of School Office, Advisor of General Affairs Group,
Advisor of Moral Education Group, Advisor of Fixed Assets Group,
Advisor of Information Technology Group

Mr. Lai graduated from the Hong Kong Polytechnic University with a Bachelor's Degree in Electronic Engineering. He later obtained a Master's Degree at the Chinese University of Hong Kong and a Postgraduate Diploma in Education from the Hong Kong Institute of Education. Mr. Lai has rich work experience in multinational companies. He now teaches Mathematics and works on the moral development of students.

Mr. Leo H. K. TSUI

Vice-Principal (International Development), Department Head of International Exchange,
Department Head of Research and Training, Chief English Panel Head,
Advisor of IB Development

Mr. Tsui received his secondary and tertiary education in Australia. He obtained a Bachelor of Business at the Queensland University of Technology. After returning to Hong Kong, he completed a Postgraduate Diploma in Education at the Chinese University of Hong Kong. He also successfully attained the Language Proficiency Assessment for Teachers. He is familiar with the local syllabus and has years of experience in preparing students for public examinations. Mr. Tsui intends to bring out the best in his students by accommodating their individual learning differences.

Dr. Christine K. Y. YU

Vice-Principal, Biology Panel Head, Advisor of STEM & AI Group,
Advisor of School Functions Group, Advisor of School Development Group

Dr. Yu obtained a Doctor of Philosophy in Biological Science from The University of Hong Kong. Her doctoral research focused on plant biochemistry and metabolic engineering. She has rich experience in mentoring students on authentic research projects and excels in different national and international STEM project competitions and Olympiad contests. She has been collaborating with universities and high schools to promote the sustainable development of STEM education. She was awarded the "Top 10 STEM Teacher Award" in 2020, "Outstanding STEM Teacher Award" & "The 17th Soong Ching Ling Children's Invention Award - Outstanding Mentor Award" in 2022. She is committed to inspiring students to explore and appreciate the fascinating world of biological science.

Mr. King K. F. LAU

Assistant Principal, Department Head of Arts and Sports, Chinese History Panel Head, Department Head of Humanities, Head of Parents Liaison Group, Head of Alumni Association

Mr. Lau received a Master of Philosophy and a Bachelor of Arts in History from the Chinese University of Hong Kong. He later obtained a Postgraduate Diploma in Education from the Chinese University of Hong Kong. He is a co-author of a Chinese history reference book for the HKDSE Curriculum.

Mr. Anselm C. M. KWOK

Assistant Principal, Physics Panel Head, Department Head of Science and Mathematics, Advisor of Teaching and Assessment Group, Assistant IB Coordinator, IB CAS and TOK Coordinator, Class Teacher of 12A

Mr. Kwok received a Master of Philosophy and Bachelor of Science in Physics with First Class Honours from the Chinese University of Hong Kong. He has been a teacher of Physics, Chemistry, Mathematics, TOK, CAS and Integrated Science for over twenty five years. He is also the author of several reference books of Physics, Mathematics, Economics and TOK, and a reviewer of Physics textbooks.

Dr. Keff C. H. CHIN

Head of Teaching & Learning Group, Panel Head of Mathematics, Class Teacher of 11B

Dr. Chin is a dedicated and detail-oriented educator with over 15 years of lecturing and coaching experience. He has been frequently invited as a guest speaker in RTHK programmes to share the exam strategies and tactics with candidates. As a scientist in electronic engineering, he is the recipient of several awards, including the Outstanding Research Thesis Award at the City University of Hong Kong and the First Runner-up in the Younger Members Exhibition / Conference at the Institution of Engineering and Technology Hong Kong. His invention on antenna design has been granted a US Patent. He was invited by CASIO HK as an author of the book series 《THE PRACTICAL GUIDE TO CALCULATOR PROGRAMMING》.

Dr. Chad C. Y. KWONG

Department Head of Research and Training, TOK and English Language Teacher

Dr. Kwong has an EdD (HKU) in technology integration, an MEd (HKU) in TSIC, a PGDE (HKU) in physics (distinction in teaching practice), and a BSc (SFU) from Canada. He received the Centenary Scholarship Fund (Experiential Learning) from HKU, and he has a CELTA from the University of Cambridge ESOL Examinations alongside an IBEC from the IBO. He is an IBAP Workshop Leader and a BEd mentor and MSc lecturer at HKU, where he teaches in the TDLL programme. He completed his part-time doctorate studies in 3.5 years by first-authoring in the academic journal *Computers & Education*, and he continues to contribute to the K-12 educational research community by reviewing for journals such as *Interactive Learning Environments*.

Ms. Sura S. W. NG

Head of Moral Education Group, Head of Admission Group, Chinese History Teacher

Ms. Ng obtained a Bachelor of Arts in History and a Postgraduate Diploma in Education in Liberal Studies from the Chinese University of Hong Kong. Ms. Ng adopts a flexible teaching and learning approach in history and cultural studies. She received the certificate course on Student Guidance and Discipline from the Chinese University of Hong Kong.

Mr. Thomson C. W. NG

Head of IB Group , Vice Head of Moral Education Group, Music teacher

Mr. Ng received a Bachelor of Music (First Class Honours) from Monash University and a Master of Studies in Historical Musicology from the University of Oxford. After returning to Hong Kong, he completed a Master of Arts in Cultural Management at the Chinese University of Hong Kong and a Postgraduate Diploma in Education at the Education University of Hong Kong. Mr. Ng is a co-author of a chapter in the *Routledge International Handbook on Schools and Schooling in Asia* and serves as an examiner for the IB DP Theory of Knowledge.

Ms. Winnie W. Y. AU

Panel Head of Citizenship and Social Development, Head of School Functions Group, Vice Head of Moral Education Group, Vice Head of International Exchange (China), Class Teacher of 7C

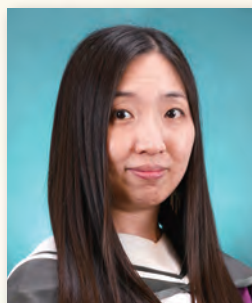

Ms. Au received a Master of Social Sciences in Psychology (Schools and Community Settings) from the Education University of Hong Kong, a Postgraduate Diploma in Education from the University of Hong Kong and a Bachelor of Social Sciences in Contemporary Social Issues and Policies from the Lingnan University.

Mr. Lawrence C. M. CHENG

Panel Head of Integrated Science, Class Teacher of 7B

Mr. Cheng received a Bachelor of Science in Biology from the University of British Columbia. He later received Graduate Certificates in Public Health and Environmental Management from Harvard University. He then obtained a Master's of Liberal Arts in Biology from Harvard University and conducted epigenetic research for the benefit of mankind. With his diverse academic qualifications and work experience in overseas hospitals and local medical laboratories, he inspires his students to see the world from a wide perspective.

Ms. Queenie S. L. LIU

Panel Head of Music, Head of Special Education Needs (SEN) Group, Head of Talent Development Group, Head of Elective Day, Class Teacher of 9B

Ms. Liu received a Master's Degree in music composition from the Hong Kong Academy for Performing Arts, a Postgraduate Diploma in Education (Music) from the Chinese University of Hong Kong and an Advanced Certificate in catering for diverse learning needs from the Education University of Hong Kong. She is a qualified IB DP (Music) teacher and experienced HKDSE (Music) teacher. She has rich working experience in different musical forms. Ms. Liu received several scholarships and prizes during her studies and teaching.

Mr. Harvey T. M. LAM

Panel Head of Economics, Vice Head of Teaching & Learning Group, Class Teacher of 11A

Mr. Lam graduated from the Chinese University of Hong Kong with a Bachelor of Social Science majoring in Economics and minoring in Education. He later obtained a Postgraduate Diploma in Education (Economics) from the University of Hong Kong. He is dedicated to fostering a supportive learning environment that encourages critical thinking, collaboration, and creativity among his students. His teaching goal is to inspire lifelong learners who are passionate and prepared to achieve success in their future endeavours.

Ms. Candy W. Y. TO

Head of Teaching and Assessment Group, Mathematics Teacher, Class Teacher of 12B

Ms. To graduated from the Hong Kong University of Science and Technology with a Bachelor's Degree in Physics. She later received a Postgraduate Diploma in Education (Mathematics) from the Chinese University of Hong Kong. Ms. To has been teaching mathematics in GT for many years. She believes that teachers have a mission to enlighten students to achieve full potential and to guide them to develop a positive attitude to life.

Ms. Daisy K. Y. YUNG

Panel Head of Visual Arts, Class Teacher of 7B

Ms. Yung obtained her Bachelor's Degree in Visual Arts and a Postgraduate Diploma in Education (Visual Arts) from the Hong Kong Baptist University, and was honored with the Youth Artist Award upon graduation. Committed to professional growth, she also holds a Certificate in Applied Arts and Therapy Practitioner and is currently pursuing a Master of Education in Guidance and Counselling at The University of Hong Kong (HKU). Guided by the belief that "everyone can fly high and shine," her ultimate goal is to leverage the power of art to help individuals connect with their inner thoughts and feelings while nurturing her students' unique talents.

Ms. Lisa L. S. GUAN

Panel Head of Putonghua, Head of International Exchange (China), Chinese Language Teacher

Ms. Guan graduated from The Education University of Hong Kong obtaining a Master of Arts in Chinese Studies (Language Education) with Distinction. Putonghua is Ms. Guan's mother language. She has got good results in the Putonghua Proficiency Test. Ms. Guan always tries to create a friendly learning environment that students enjoy.

Mr. Henry T. S. YIP

Head of School Development Group, Head of Further Studies Group,
Head of Publication and Promotion Group

Mr. Yip obtained a Bachelor of Business Administration from the University of Hong Kong, double majoring in Marketing and Human Resources Management. He has founded two edtech companies and secured Cyberport funding during his early startup journey. At G.T. College, Mr. Yip is responsible for school development and external partnership management. He is also passionate about teaching humanities subjects, focusing on developing students' higher-order thinking and problem-solving skills.

Dr. Ken W. K. CHENG

Orchestra Advisor, Vice Head of School Functions Group

Dr. Cheng graduated from the CUHK. He later obtained a Master of Philosophy and a Doctor of Philosophy at the HKUST. Dr. Cheng has over 25 years of teaching experience, and has taught subjects ranging from Philosophy, Chinese Language, Chinese History, History, Citizenship and Social Development to Music. Apart from that, he has actively participated in music recitals. He conducted orchestral performances in two consecutive summers in Vienna, at the concert hall of the Vienna Boys' Choir in 2018, and at the Musikverein in 2019. He received his second Master degree (Music Education) in 2020.

Mr. Steven M. C. CHAN

Acting Head of Chinese Language, Vice Head of Special Education Needs (SEN) Group,
Class Teacher of 12C

Mr. Chan obtained a Bachelor of Arts in Chinese and Literature, a Postgraduate Diploma in Education in Chinese Language and a Master of Arts in Chinese and Literature at the Baptist University of Hong Kong. He has over 10 years of teaching experience in secondary schools. His greatest belief in education is "A good teacher-student relationship, healthy personal growth, and good academic results complement one another."

Mr. Max W. L. YIU

Acting Panel Head of Chinese Language Junior Form, Vice Head of Moral Education Group

Mr. Yiu graduated from the Education University of Hong Kong with a Bachelor's Degree in Chinese Language Education. He has a strong interest in Pre-Qin Philosophy, composing classical or modern poetry, calligraphy and recitation. He was the guest speaker of the online programme (The Techniques of Recitation) offered by EdUHK.

Mr. Kevin P. L. TSANG

Acting Panel Head of Citizenship, Economics and Society, Economics Teacher, Class Teacher of 9E

Mr. Tsang graduated from the University of Hong Kong with a Bachelor's Degree in Economics and Finance. He received several scholarships and awards during his studies. Mr. Tsang also has exchange and living experience in Australia, New Zealand, and Mainland China. He enjoys arts, sports, and travelling.

Ms. Sabrina W. K. CHAN

Vice Head of Moral Education Group, Head of Students' Union,
Chinese Language Teacher, Class Teacher of 9C

Ms. Chan graduated from the Education University of Hong Kong with a Bachelor's Degree in Chinese Language Education. She went to the Beijing Normal University to study Mandarin, and passed the National Putonghua Proficiency Test. She is proud to be a professional language teacher, being able to employ different teaching methods to inspire and motivate her students.

Ms. Alice W. M. CHAN

Acting Panel Head of Chemistry, Vice Head of Student Union, Class Teacher of 9F

Ms. Chan became a teacher after her graduation from the Chinese University of Hong Kong with a Bachelor of Science in Chemistry and a Master of Philosophy in Environmental Science. Having met great teachers in her school life, Ms. Chan is dedicated to nurturing students with care and patience. Ms. Chan guides students to appreciate the beauty of science and to realize how science is associated with our daily lives. She also encourages them to be inventors or problem solvers with a logical and creative mind.

Mr. Bruce P. M. Lai

Acting Panel Head of Physical Education

Mr. Lai graduated from the Hong Kong Institute of Education, completing the Advanced Course of Teacher Education with a Specialization in Physical Education Teaching. He also holds a Bachelor of Christian Counseling from the Hong Kong Institute of Christian Counselors and a Bachelor of Arts in Chinese Humanities from the Open University of Hong Kong. An experienced sports educator, Mr. Lai formerly coached the HKU Men's Volleyball team and the HKSSF Girls' Volleyball team. He firmly believes that sports can transform students' attitudes, fostering positivity and a clear sense of purpose in their lives.

Ms. Esther C. Y. CHAN

Vice Head of International Exchange, English Language Junior Form Coordinator,
English Language Teacher

Ms. Chan received her tertiary education in Australia. She obtained a Bachelor degree at the University of Queensland and completed the PGCE programme (English Language). She believes cooperative learning is the best way to motivate students in the classroom, and she is passionate about creating different group activities.

Mr. Huntley Y. H. TAM

Vice Head of IT Group, Mathematics Junior Form Coordinator, Class Teacher of 10C,
Vice Head of Fixed Assets Group

Mr. Tam holds a Bachelor's degree in Biotechnology from HKUST, a programme that rigorously trains students in quantitative analysis, statistics, and computational logic. He also took advanced mathematics electives such as calculus and consistently applied mathematical modelling to biological data—this gave him a strong applied-maths foundation beyond typical science graduates. Mr Tam's continuously refines his pedagogy to suit diverse learning needs. His dual training in science and mathematics make him a versatile educator who can bridge various disciplines and inspire students' curiosity."

Mr. Danny George SORBY

English Language Senior Form Coordinator, English Language Teacher

Mr. Sorby obtained a Bachelor of Arts in English Studies from Sunderland University and a Master Degree in Applied Linguistics from the University of Birmingham. He holds a PGCE from Leeds Beckett University and a specialist training certificate for teaching ESL learners (CELTA). He has been living and working in China since 2016 in different school contexts. He has a strong interest in languages and is an avid reader of literature. In terms of pedagogy, he is a believer in nurturing effective learning mindsets, where intelligence and talent are not a given but something that needs to be nurtured in each student.

Ms. Kiki Y. H. HO

Mathematics Junior Form Coordinator, Vice Head of Admission Group, Class Teacher of 10A

Ms. Ho Graduated from the Chinese University of Hong Kong with a Bachelor's Degree in Statistics. She acquired various working experiences from both corporates and local schools, before settling in the field of education. Ms. Ho believes in the effect of interactive teaching, and she strives to make her lessons engaging by making use of real-life examples. Her ambition is to make Mathematics appealing to all students.

Mrs. Vanessa Gadzieva

Head of Talent Class, Vice Head of Parents Liaison Group, Vice Head of Talent Development Group, Music Teacher

Mrs. Gadzieva graduated from the Hong Kong Baptist University with a bachelor's degree in music majoring the piano. She later obtained a Master of Arts in Music at The Chinese University of Hong Kong. She has also worked as an associate director and a collaborative pianist in Hong Kong International School high school choirs for 6 years. The choir was selected as the featured choir in Festival at Carnegie Hall: National Youth Choir in 2019.

Mr. Antony C. S. LEE

Head of Fixed Assets Group, Mathematics Teacher, Class Teacher of 10B

Mr. Lee received his Bachelor of Science in Electrical Engineering from the University of Michigan. He also obtained a Master of Business Administration from the Hong Kong University of Science and Technology. Besides the curriculum, he believes teaching students the soft skills is equally important both for their further studies and career.

Mr. Nixon L. S. CHAN

DSE Math and M2 Coordinator, Class Teacher of 11D

Mr. Chan graduated from the University of Hong Kong with a Bachelor of Science in Mathematics. With over 13 years of teaching experience, he specializes in Mathematics education, particularly HKDSE Mathematics Core and M2. Since joining G.T. College, he has taught Mathematics at junior and senior levels, supported Mathematics school team training and senior-form academic development, and helped students prepare for mathematical competitions and public examinations. Invited by CASIO, he wrote Calculator Programming Reference Books for HKDSE students. His teaching emphasizes clear mathematical thinking, efficient problem-solving strategies, and helping students develop confidence and precision in Mathematics.

Ms. Jacqueline Y. K. KWOK

Vice Head of School Development Group, Chemistry Teacher, Class Teacher of 11C

Miss Kwok is beginning the new academic year with a strong commitment to growth and excellence in education. She has a Master of Science and a Bachelor of Education, majoring in Chemistry and biology. With a deep passion for chemistry education, Miss Kwok is dedicated to helping others understand complex concepts and develop an appreciation for science. As an alumna of GT college, she is grateful for the opportunity to join the GT family again.

Ms. Stephanie P. Y. CHAN

Vice Head of Extra-Curricular Activities Group, Chinese History Teacher

Ms. Chan received a Master of Arts in Chinese Language and Literature from the Hong Kong Polytechnic University. She also obtained the Postgraduate Diploma in Education in Chinese Language from the Chinese University of Hong Kong. She is experienced in teaching Chinese History and Putonghua. She hopes to enhance students' interest in Chinese history by using flexible teaching methods.

Mr. Jason C. H. MAN

Acting Panel Head of Geography

Mr. Man graduated from The Chinese University of Hong Kong with a Bachelor of Social Science in Urban Studies, minoring in Geography and Resource Management. He has over four years of teaching experience in HKDSE Geography and is also the editor of a reference book tailored for the HKDSE Geography curriculum. Mr. Man is passionate about helping students understand the dynamic world around them through geographical perspectives. He believes that curiosity, critical thinking, and consistent effort are essential in nurturing academic growth and personal development.

Mr. David T. W. CHAN

Head of National Education Group, Head of Club and Interest Group,
Head of Extra-Curricular Activities Group

Mr. Chan received a Bachelor of Arts in Geography and Sociology from the University of Hong Kong and a Postgraduate Diploma in Education in Geography and a Master of Education from the Chinese University of Hong Kong. He has also been actively involved in organising various kinds of student activities for G.T. students. He believes that diligence, proactivity, endurance, having good health and positive attitude are the key factors for success. He also believes that good interpersonal relationship and communication techniques is essential element for the success of our future leaders.

Mr. Alfred S. O. CHUNG

Integrated Science Coordinator, Class Teacher of 8C

Mr. Chung graduated from the University of Hong Kong with a Bachelor of Education and Bachelor of Science. Mr. Chung has taught Chemistry and Junior Science for a few years. He enjoys the amazing science-related videos discussions. As a teacher, he looks forward to having interactive lessons with students.

Ms. Angel H. T. WONG

Head of Sports Friday, Assistant Panel Head of Physical Education

Ms. Wong graduated from the Hong Kong Baptist University (HKBU) with a Bachelor of Sport and Recreation Leadership. She later obtained a Postgraduate Diploma in Education from HKBU. She attained the Hong Kong Volleyball Coaches (Level one) in 2021. Now, she is a volleyball player in New Youth Volleyball Team (League A1), and also the coach of New Youth Junior Volleyball Team.

Ms. Lacey N. S. LING

Educational Psychologist

Ms. Ling graduated from The University of Hong Kong with a Bachelor of Science in Speech and Hearing Sciences, and later completed a Master of Arts in Psychology at The Chinese University of Hong Kong and a Master of Social Sciences in the field of Educational Psychology at The University of Hong Kong. With training in both speech therapy and educational psychology, she has worked with students from preschool to secondary levels across a wide range of settings, including mainstream schools, NGOs, special schools, and the Education Bureau. Her work is grounded in a strong commitment to supporting learners with diverse needs, and she firmly believes that every student has unique strengths and potential.

Mr. Wilson W. S. KONG

Head of IT Group, Head of General Affairs Group,
Senior Laboratory Manager - Physics and Integrated Science

Mr. Kong holds a Bachelor of Social Sciences from HKMU. Passionate about scientific discovery, he designs innovative laboratory experiments that bring science to life. He believes hands-on experimentation deepens students' scientific literacy and practical skills.

Ms. Doris S. F. CHEUNG

Mathematics Teacher, Class Teacher of 7A

Ms. Cheung graduated from the Hong Kong Polytechnic University with a Bachelor of Science in Prosthetics and Orthotics. She then obtained a Postgraduate Diploma in Education (Mathematics and Science) and a Master of Mathematics Education from the Chinese University of Hong Kong. She has been a teacher of Mathematics, Integrated Science, Biology, Music and Computer. She is a Christian; she loves music and nature. Other than knowledge, she believes that nurturing students' integrity is important too.

Ms. Cheryl L. Y. LEUNG

Geography Teacher, Class Teacher of 7A

Ms. Leung graduated from the University of Hong Kong with First Class Honours. She later received a Postgraduate Diploma in Education in Geography from the University of Hong Kong. Ms. Leung strives to make her classes inclusive and enjoyable for all students. In addition to her passion for Geography, she loves travelling and learning languages.

Mr. John Y. C. LAM

English Language Teacher, Class Teacher of 7C

Mr. Lam graduated from the University of California, Los Angeles with a Bachelor of Arts in Linguistics and English. Having studied abroad in a more student-centred environment, he is an enthusiastic advocate of a fun and lively classroom where learning is not only educational but also enjoyable. In addition to the bachelor's degree, Mr Lam obtained his Postgraduate Diploma of Education from Chinese University of Hong Kong, equipping him with the pedagogical strategies necessary to incorporate interactive activities and multimedia resources into his lessons to bring out the best in each individual.

Ms. Peggy Z. O. ZHANG

Chinese Language Teacher, Class Teacher of 7D

Ms Zhang graduated from Hangzhou Normal University in Mainland China, majoring in Chinese Language and Literature. After her undergraduate studies, she completed her master's degree at Hong Kong Baptist University, specializing in Chinese language, literature and culture. She is passionate about teaching Chinese and hopes that every student can learn Chinese more happily and enjoy their Chinese lessons.

Mr. Hao WANG

Physics, Integrated Science Teacher, Class Teacher of 7D

Mr. Wang graduated from Zhejiang University with a Bachelor's Degree in Physics and later pursued postgraduate studies in Physics at the Niels Bohr Institute, University of Copenhagen. He subsequently completed his Postgraduate Certificate in Education (Secondary Physics with Mathematics) at The University of Manchester, where he was awarded Qualified Teacher Status (QTS) in England. He is also a Registered Teacher in Hong Kong and holds a Senior Secondary Physics Teaching Qualification in Mainland China.

Ms. Chloe H. Y. WONG

English Language Teacher, Class Teacher of 7E

Ms. Wong graduated from The Chinese University of Hong Kong with a Bachelor of Arts in English and obtained a Postgraduate Degree of Education in Hong Kong Baptist University. She does not believe forcing students to study passively and believes that the most effective way for students to learn is by enjoying the learning process and taking charge of their own education.

Ms. Stella X. S. SUN

Chinese Language Teacher, Class Teacher of 7E

Ms. Sun graduated from Jilin Normal University with a major in Chinese Language and Literature. She has served as a Chinese Language teacher of Junior High and Senior High schools in Beijing for 20 years. Her notable achievements include: Honored as Outstanding Teacher in Educational Teaching and Research in the National Selection of Distinguished Schools with Unique Features, Advanced Practitioners in Specialized Education, and Outstanding Teachers.

Ms. Yoyo N. Y. HAR

Chinese Language Teacher, Class Teacher of 7F

Ms. Har graduated from the Chinese University of Hong Kong with a Bachelor of Chinese Language Studies and a Bachelor of Chinese Language Education. Committed to lifelong learning and passionate about sharing knowledge, she strives to make a meaningful difference in students' lives by nurturing their uniqueness and inspiring their learning.

Mr. Etienne TERBLANCHE

English Language Teacher, Class Teacher of 7F

Mr. Terblanche graduated from Nelson Mandela University, South Africa, with a Bachelor of Arts in Media, Communication and Culture, majoring in Film and Visual Design. Coming from a multifaceted media background, he employs a creative approach in his teaching philosophy, inspiring creativity and nurturing alternative thinking.

Dr. Tina T. H. NGUYEN

Mathematics Teacher, Class Teacher of 8A

Dr. Nguyen obtained her PhD in Mathematics from the City University of Hong Kong and her Bachelor of Education (Honours) from Hanoi National University of Education. She studied gifted mathematics from middle school and won various competitions and olympiads. Over her years of teaching, she has helped many SEN students and students who previously disliked mathematics to become motivated and re-engage with the subject. She believes in the potential of each of her students and is committed to assisting every one of them in achieving their own success.

Mr. Martin W. S. TANG

Geography Teacher, Class Teacher of 8A

Mr. Tang received a Bachelor of Social Science in Geography and Entrepreneurship, Design and Innovation from the University of Hong Kong. He is passionate about interactive and inquiry-based teaching, using real-life examples and data analysis to engage students and foster critical thinking. Mr. Tang is also a Cantopop lover who enjoys playing the guitar and singing as his hobby.

Ms. Carina J. WU

Chinese Language Teacher, Class Teacher of 8B

Ms. Wu graduated from the City University of Hong Kong with a Master's Degree in Chinese Language and Literature. She obtained a Postgraduate Diploma of Education from the Education University of Hong Kong. She passed the Language Proficiency Assessment for Teachers (Putonghua) and got the Certificate of Merit from the EDB. She has a strong interest in reading, Chinese zither and Chinese culture. She hopes to help students feel the charm of Chinese language and culture, and nourish their minds through Chinese learning.

Mr. Dickson C. Y. NG

Physics, Integrated Science Teacher, Class Teacher of 8B

Mr. Ng holds a Bachelor of Science in Physics from Durham University (UK), a Master of Science in Applied Meteorology from the University of Reading (UK), and a Postgraduate Diploma in Education (Physics) from the University of Hong Kong. He has taught K-12 STEAM and secondary Physics at an international school in Guangzhou, and previously worked as a computational scientist and an aviation educator. Mr. Ng believes in multidisciplinary, practical and meaningful science learning that integrates 21st century skills, and is committed to creating a supportive classroom where students think, question, and explore like young scientists.

Ms. Yentl Rose Pagan SWARTZ

English Language Teacher, Class Teacher of 8C

Ms. Yentl Swartz combines expertise in nature conservation and education to drive meaningful changes. With a Bachelor's in Nature Conservation from Nelson Mandela Metropolitan University and a cum laude Post Graduate Certificate in Education, she brings a unique skill set to her work. Her experience across conservation and education sectors equips her to inspire action and foster sustainability for future generations.

Ms. Siyu ZHOU

Mathematics Teacher, Class Teacher of 8D

Ms. Zhou obtained a Bachelor of Education in Mathematics from The Education University of Hong Kong, as well as a Master in Psychology from The Chinese University of Hong Kong. She believes that mathematical knowledge should be acquired through conceptual understanding. She believes the most important thing in mathematical education is developing students' independent and logical thinking skills, so that students can think and make decisions for themselves in life.

Ms. Stephanie T. Y. IP

English Language Teacher, Class Teacher of 8D

Ms. Ip holds a double major in English Language and Literature and English Education, with a minor in Psychology. Her honours project on positive education has equipped her to integrate wellbeing and student motivation into everyday classroom practice. Drawing on her psychology background, she is committed to creating supportive learning environments where students can thrive both academically and holistically.

Ms. Doris Z. DENG

Chinese Language Teacher, Class Teacher of 8E

Ms. Deng holds a Bachelor of Arts (Chinese Language and Literature) from Beijing Normal University and a Master of Education (Teaching Chinese Language and Literature in International Education) from the University of Hong Kong. She is a certified IBDP Educator and a multilingual enthusiast. She is dedicated to enabling students to experience the joy of independent thinking and self-expression, and to build a spiritual haven in the world of literature.

Mr. Shaun LI

English Language Teacher, Class Teacher of 8E

Mr. Li obtained a Bachelor of Commerce in Advanced Management and Human Resources from The University of The Witwatersrand, South Africa. He has also completed a Level 5 Teaching English as a Foreign Language (TEFL) course from TEFL Academy UK. His philosophy is that everyone learns something new every day, no matter how young or old they are.

Mr. Ben Z. C. SHEN

Mathematics Teacher, Class Teacher of 8F

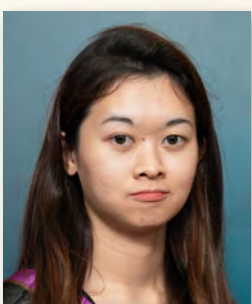

Mr. Shen is a caring, passionate and self motivated Mathematics educator. He holds a Bachelor of Science in Applied Mathematics with Statistics, a Bachelor of Economics, a Master of Education, and a Postgraduate Diploma in Education (Secondary Mathematics) from the University of Birmingham and the University of Hong Kong. He has solid teaching experience across DSE, MYP and IB curricula, and has successfully coached students to attain remarkable results in the International Mathematics Olympiad (IMO) and advanced mathematics program. He is committed to inspiring students to explore their full potential and supporting their holistic development and academic excellence.

Ms. Farrah X. F. ZHANG

English Language Teacher, Class Teacher of 8F

Ms. Farrah graduated from the Hong Kong University of Science and Technology with a Master degree in International Language Education. She then obtained a Postgraduate Certificate in Education (PGCE) from the University of Sunderland. With a passion for education, she believes teaching goes beyond textbooks—it is about empowering minds, fostering curiosity, and creating meaningful connections. Committed to lifelong learning, she strives to cultivate not just language skills, but also confidence, creativity, and a love for knowledge in every learner.

Ms. May Y. S. LEUNG

English Language Teacher, Class Teacher of 9A

Ms. Leung graduated from the Hong Kong Polytechnic University with a Bachelor's degree in Business Administration (BBA) in Accountancy. She then obtained a Postgraduate Certificate in Education (PGCE) from the University of Sunderland. Dedicated to lifelong learning and a enthusiasm for exchanging knowledge, Ms. Leung is prepared to make a meaningful impact on the lives of the students.

Mr. Alvin L. Y. KONG

Economics Teacher, Class Teacher of 9D

Mr. Kong graduated from Hong Kong University of Science and Technology with a Bachelor of Business Administration majoring in Finance and Economics. He obtained a Postgraduate Diploma in Education (Economics) from the University of Hong Kong. He is passionate about providing an interactive learning environment that encourages active student participation. His teaching goal is to instill a positive values and attitude, guiding students' academic and personal growth.

Mr. Cyril S. H. SZETO

Physics Teacher, Class Teacher of 10D

Mr. Szeto graduated from the University of Hong Kong with a Master's degree in Education, a Postgraduate Certificate in Advanced Educational Studies (Gifted Education), and a Bachelor's degree in Science (Physics). He was a committee member of the Hong Kong Physics Olympiad from 2002 to 2016 and participated in the International Physics Olympiad 2008 as an Observer for the Hong Kong Team. He also served as a Setter, Marker and Assessor of the HKCEE. He was also one of the Setters of the HKDSE Practice Paper. Mr Szeto is the first secondary school teacher awarded the Green Achiever by the Environmental Campaign Committee.

Mr. Leon K. H. MANG

Chinese Language Teacher, Class Teacher of 10E

Mr. Mang graduated from the University of Hong Kong with a Master's Degree in Chinese Language and Literature and currently studying towards a Postgraduate Diploma of Education in Chinese Language (Secondary). He has a strong interest in Chinese philosophy and comparative literature. He believes that Chinese Language in Secondary school is not merely a mean for public examinations but also an end for students to cultivate their moral values.

Ms. Allison H. Y. CHAN

Chemistry Teacher, Class Teacher of 12D

Miss Chan obtained a Bachelor of Science in Chemical Technology from the Hong Kong Polytechnic University. She is currently pursuing a Postgraduate Diploma in Education at The Chinese University of Hong Kong. She had experience in organizing science activities by applying scientific knowledge to daily life. She also participated in scientific research projects during her undergraduate studies. She believes that every road leads to Rome as long as we take the chance.

Dr. Paul C. H. LIP

English Language Teacher

Dr. Lip lived in Melbourne, Australia, for over ten years. He taught at a post-secondary institution and a secondary school for eight years. He holds a Bachelor of Arts in Teaching English as a Second Language from City University of Hong Kong, and a Postgraduate Diploma in Education (English), a Master of Arts in Applied Linguistics from The University of Hong Kong and a Doctor of Philosophy in Education from Deakin University. He has been an action researcher to improve his teaching and has published and presented in the field of English language teaching and learning. He is a devoted Christian.

Dr. Mervyn H. K. MAN

Chemistry Teacher

Dr. Man obtained a Bachelor of Science (B.Sc.), majoring in Chemistry (intensive) and has completed the Royal Society of Chemistry (RSC) Accredited Programme, and a Doctor of Philosophy (Ph.D.) from the University of Hong Kong. His doctoral research focused on supramolecular chemistry and materials chemistry. In terms of pedagogy, he believes logical and critical thinking is more crucial than hard knowledge, therefore he promotes discussion-based learning in lieu of ordinary passive lecturing/ teaching.

Mr. Kwok Yeung WONG

Physical Education Teacher

Mr. Wong graduated from the Hong Kong Institute of Education with a Bachelor of Education in Physical Education. He is experienced in teaching various kinds of sports. He obtained the International Coaches of Volleyball (Level one) in 1997. He is also the coach of the EDUHK basketball team, Singtao basketball team and Winling youth basketball team. In 2018, Mr Wong was a part-time instructor in The Education University of Hong Kong, teaching the Theory and Practice of Teaching Basketball.

Ms. Claudia Repiso Cruz

Third Language Coordinator

Claudia has obtained a Bachelor in Translation and Interpretation from the University of Malaga in Spain and was an exchange student in Duksung Women's University in South Korea. With 10 years of experience teaching English, Spanish, French, and German she has focused on providing high-quality instruction through creative themed activities in both face-to-face and online lessons. In addition to her enthusiasm in learning languages, Claudia has a passion for arts, she has illustrated two children's books and loves to create animations and her own teaching materials.

Ms. Mahikdeep KAUR

English Language Teacher

Ms. Kaur graduated from the Hong Kong Metropolitan University with a Bachelor of Education with Honors in English Language Teaching and Bachelor of English Language Studies with Honors (Double Degree). Having a passion of being an English teacher, she would love to motivate her students to love English and think of it as a fun subject to learn. She hopes to put some input in making students grow and thrive and be the best version of themselves.

Mr. Michael J. CARR

English Language Teacher

Mr. Carr obtained a BSc in Sports Science in the faculty of Sport and Health from Durham University. He completed 2 years in professional rugby before arriving in Hong Kong. His teaching philosophy is that all students can learn, it is the teacher's duty to show them how.

Ms. Rajwinder GILL

English Language Teacher

Ms. Rajwinder has obtained a Bachelor of Arts (Hons) in English for International Corporate Communication from University of Central Lancashire. She has received her Postgraduate Certificate in Education (English Language) from the University of Sunderland. Her goal is to create engaging learning experiences through an environment that fosters creativity, curiosity, and kindness.

Mr. Daniel L. M. CHOW

English Language Teacher

Mr. Chow graduated with a Bachelor's Degree in Linguistics and Language Application and a Postgraduate Diploma in Education (English) from local universities. Having taught in three secondary schools, he has also served as an adjudicator and organiser in territory-wide and inter-city debating tournaments and has coached his own team to multiple awards. He believes in a student-centred and research-based approach to preparing students for all challenges presented by society.

Mr. Kenneth C. K. NG

Economics Teacher

Mr. Ng graduated from the Hong Kong University of Science and Technology with a Bachelor's Degree in Finance and Information Systems. He later obtained a Postgraduate Diploma in Education (Economics) from the University of Hong Kong. He enjoys exploring various forms of art such as music, architecture, paintings and textile, while engaging in physical activities such as volleyball to maintain a healthy lifestyle.

Mr. Jin J. S. KIM

Biology Teacher

Mr. Kim graduated from the University of Hong Kong with a dual degree in Bachelor of Education and Bachelor of Science, majoring in Molecular Biology and Biotechnology. He is particularly interested in plant physiology and biotechnology. He aims to inspire students to become little scientists with a great interest in and curiosity about exploring the world of biology.

Mr. Sing H. S. CHEUNG

Biology Teacher

Mr. Cheung obtained a Master of Science in Genomics and Bioinformatics from The Chinese University of Hong Kong, and a Master of Science in Biomedical Science from Edinburgh Napier University. He also holds a Bachelor's degree with First Class Honours in Testing and Certification. With over six years of experience in STEM education and laboratory management, Mr. Cheung is adept at designing engaging science curricula and guiding students to develop a broad understanding of Biology. He is dedicated to nurturing students' critical thinking and problem-solving skills, and hopes to inspire a deep curiosity for the fascinating world of biology among his students.

Ms. Amanda L. LIANG

Biology Teacher

Ms. Liang graduated from the Hong Kong University of Science and Technology (HKUST) with a Bachelor of Science degree in Biotechnology and Business. This unique combination allows her to bridge the gap between scientific innovation and real-world application in the classroom. Ms. Liang firmly believes in a student-centered approach, where the classroom is a collaborative space for curiosity. She is dedicated to building strong, positive relationships with her students, creating a supportive environment where every learner feels empowered to explore the fascinating world of Biology.

Mr. Davis W. H. TSANG

Biology Teacher

Mr. Tsang graduated from the University of Hong Kong with a Bachelor of Science in Ecology and Biodiversity with a minor in Geography. He is dedicated to constructing an interactive and supportive learning environment where students take charge of their own learning journeys. Believing every student possesses a unique formula in learning, he aims to spark the curiosity to inspire continuous self-improvement.

Mr. Kelvin S. H. CHENG

Mathematics and Physics Teacher

Mr. Cheng obtained a Bachelor of Physics in Green Energy, Energy Management, and Smart Technology from the Baptist University of Hong Kong. He also minored in Information Systems and Business Intelligence. With ample teaching and STEM education experience, Mr. Cheng always aims to inspire students to apply their knowledge in real-world scenarios and work hard towards contributing to society in the future.

Mr. Ming M. L. TONG

Mathematics Teacher

Mr. Tong graduated from the University of Hong Kong with a Bachelor's degree of Business Administration. He is a dedicated educator in tutorial schools with 12 years of lecturing and tutoring experience. He has also been a mathematics teacher in a famous high school in Thailand. With both local and overseas experience, he hopes to help students develop their critical thinking and global insights.

Mr. Colman C. M. WONG

Visual Arts Teacher, Head of Multi-Media Group

Mr. Wong graduated from the City University of Hong Kong with a degree in Creative Media (New media in basic art and science). He is good at photography, filming, and video editing. He wants to present a different method of art through multi-media.

Ms. Valerie H. Y. TAI

Chinese Language Teacher

Ms. Tai graduated from The Chinese University of Hong Kong with a Bachelor's Degree in Chinese Language and Literature. She believes that language shapes the way we understand the world, remember our experiences, and express what matters most to us. She has a particular interest in modern Chinese literature and enjoys exploring how literary works reflect human emotions, society, and the complexities of everyday life. Through literature, she hopes to encourage students to see language not merely as a subject, but as a meaningful way of understanding themselves and others. Passionate about teaching, she hopes to inspire in her students a lifelong appreciation for language.

Ms. Amelia Y. X. CHEN

Visual Arts Teacher, Teaching Assistant of International Exchange Group (China)

Ms. Chen graduated with a Bachelor's degree in Arts, focusing on art creation and art history during her studies, which helped her build a solid foundation in the arts. She then went on to earn a Master's in Education, gaining systematic knowledge in curriculum design, and innovative teaching methods. She firmly believes that every child has a seed of art within them; it just blooms at different times. By carefully observing each child's uniqueness and encouraging them to express themselves boldly, she helps them develop an eye for beauty, whether or not they pursue a career in art.

Mr. Tim T. L. MAK

AI Development Officer (Chinese Language), Acting Head of Publication and Promotion Group

Mr. Mak obtained a Master of Arts in Sociology and a Bachelor of Arts (Honours) in Chinese Literature. He focuses on integrating technology and multimedia resources to enhance teaching and learning effectiveness. Passionate about interactive reading, creative writing, and fostering students' critical thinking, Mr. Mak excels at connecting classical literature with contemporary social issues. He is committed to creating a supportive and engaging learning environment for all his students.

Mr. Henry K. L. KOO

Assistant Teacher

Mr. Koo received his secondary and tertiary education in Sydney, Australia. He obtained a Bachelor degree from the University of Sydney, as well as a Postgraduate Certificate in Education from the University of Sunderland. Mr. Koo believes in identifying each student's unique talents and learning styles to unlock their full potential.

Ms. Selina S. N. CHO

Head of Time-tabling Group, Senior Laboratory Technician – Chemistry

Ms. Cho obtained her Bachelor of Science in Applied Science (Biology and Chemistry) from the Hong Kong Metropolitan University. Believing learning is a lifelong journey, she loves seeking knowledge and is willing to learn from everyday discoveries. Ms. Cho is enthusiastic about science and encourages students to explore science and life.

Ms. Phyllis M. W. CHAN

School Librarian

Ms. Chan obtained a Bachelor of Arts in Translation and Chinese Language and a Master of Arts in Chinese Linguistics from the Hong Kong Polytechnic University. She also received a Master of Applied Science in Library and Information Management from the Charles Sturt University, Australia, a Postgraduate Certificate in Education from the University of Hong Kong and a Diploma in Teacher Librarianship from the HKUSPACE. She is dedicated to fostering a vibrant, inclusive library environment that sparks curiosity, encourages exploration, and empowers students to grow into proficient learners.

Mr. Alex S. Y. YIU

School Social Worker

Mr. Yiu graduated from Hong Kong Shue Yan University with a Bachelor's Degree in Counseling and Psychology. He later obtained a Master of Social Work Program from City University of Hong Kong. He genuinely enjoys working with young people and finds fulfillment in building meaningful relationships with them. Through these connections, he strives to foster a supportive and nurturing environment where young people feel empowered to express themselves, share their experiences and explore their personal growth.

Ms. Nestle L. Y. HUI

School Social Worker

Ms. Hui graduated from the University of Hong Kong with a Bachelor's Degree in Social Work and has attained a Certificate in the Use of Satir Growth Model in Individual and Family Therapy. She has worked in children and youth services over the past ten years. She is full of passion and well experienced in working with youth facing family, behavior, and emotional issues. She sincerely hopes to assist G.T. College's students to develop 3H's - Happiness, Health, and Hope - the positive personal growth and development.

Ms. Jennifer S. L. TAM

Laboratory Technician - Biology

Ms. Tam, holding a Bachelor of Science degree in Biotechnology, has over ten years of experience supporting students in both IB and DSE curricula as a laboratory technician. She firmly believes that every student has the potential to succeed and is passionate about turning the lab into an inspiring space where curiosity thrives.

Ms. Gladys S. S. CHAN

Teaching Assistant of Chinese Language

Ms. Chan graduated from Lingnan University with a Bachelor of Arts in Translation, minor in Chinese writing. She is experienced in the field of education. She worked in kindergarten, primary schools, secondary schools and Universities. Chinese writing and reading are a life-long pursuit to her. Her four articles were published in the magazines of Lingnan University and Mingpao.

Ms. Maddi M. C. TSE

Teaching Assistant of Physical Education and Talent Development Group

Ms. Tse graduated from University of Exeter with a Bachelor of Exercise and Sport Science. Passionate about coaching and sports, she believes physical activities can encourage the development and growth of independence and confidence of a person. As an alumna of G.T. College, she is grateful for the opportunity to join the G.T. family again.

Mr. Sky Y. T. YEE

Teaching Assistant of Physical Education and Special Education Needs Group (SEN)

Mr. Yee graduated from Hong Kong Baptist University (HKBU) with a Bachelor of Arts (Honours) in Sport and Recreation Leadership, specializing in basketball. He holds a diverse range of coaching certifications, spanning traditional sports as well as emerging new sports trends.
