On 22 April 2023, G.T. College visited Shenzhen Nanshan Foreign Language School - Kehua School to promote educational integration between Shenzhen and Hong Kong. The event included a school tour and performances showcasing different musical talents to facilitate in-depth communication.

At the start of the event, Nanshan Foreign Language School management team greeted G.T. College students at the school gate. After speeches by the management team of Nanshan Foreign Language School and Principal Dr. Tam, commemorative gifts were presented. The most exciting part of the event was the musical, which featured Kehua School students performing Beijing opera, Chinese pipa, and English drama, while G.T. College students performed handchimes ensemble, English recitation, different instrument solos, and a chorus. The event was concluded with the song "Tomorrow will be Better."

Afterwards, Kehua School led G.T. College's management team and students on a campus tour, after which they had lunch together. The students reluctantly said goodbye as the day ended. In the afternoon, G.T. College and Kehua School students performed together at Yin'ao International Arts Academy, further exchanging ideas in the field of music art.

We really enjoyed the inbound exchange with KVIS and MWIT students. The teachers were extremely kind and displayed a keen interest in getting to know how our school works and what makes it special. We discussed our unique school culture and commitment to excellence.

The KVIS and MWIT students were very well behaved and had a great attitude to learning new things in the classes we organized for them. From Chinese calligraphy to rooftop gardening, they faced all new experiences with a smile and deep respect for their peers. On the final day of exchange we all went to Ocean Park. It was really special seeing the KVIS and MWIT students getting along with their G.T. buddies and sharing the thrills of the park rides and nature exhibits. I could clearly see a bond had formed between them as they walked in their own groups exploring the park as friends. No one wanted the day to end!

We would like to thank all GT, KVIS and MWIT staff and principals for giving the go-ahead to this exchange.

Parents Singing Contest

Vikki Tong serving as guest performer and judge

A singing contest, named "Parents, Sing & Shine!", was held on April 28th, and it was a huge success! Parents from different grades gathered to showcase their singing skills and compete for the champion award. The event was filled with laughter and joy as the parents sang their hearts out in front of a panel of judges. One of the highlights of the event was the real-time voting for their favorite performances. In the end, the song "Puff the Magic Dragon" performed by the family of Bernice Mak (7A) won the prize of the most favorite performance, much to the delight of their supporters. The tension was high as the votes were tallied up. The event was a great way to enhance home-school cooperation. We look forward to seeing more parents participate in different events.

KSHS KGHS (Taiwan) Inbound Exchange

A group of twenty teachers and two chaperone teachers from KSHS and KGHS visited our school from 28 March to 3 April 2023. While a one-week exchange program in Hong Kong is a relatively short period, both Taiwan and Hong Kong students could still gain valuable knowledge and an enriching experience.

The exchange program provided opportunities for Taiwan students to learn from teachers from different departments and participate in our school's Gifted and Talented Programs. Admission talks at HKU and at HKUST were also arranged for them to experience Hong Kong's university education.

It was also a great opportunity for our students to become the host families. They guided the exchange students to look up popular tourist attractions, try local food and explore the culture and customs of Hong Kong. We appreciate that our students could step outside their comfort zone and make international connections.

Participating in the exchange program had numerous benefits for students. In addition to the cultural and educational experiences, students gained valuable skills such as adaptability, independence, and intercultural communication.

Term 2 Parents Day

G.T. class teachers and parents discussing during a parents meeting

Our 2022-23 Term Two Parents' Day was successfully held on 15 April. This was the first Parents' Day after the Covid-related mask-wearing requirements and social distancing measures were lifted by the government. As a result, the arrangement of waiting areas on each floor of our campus was cancelled. Visitors were no longer required to travel in certain directions according to signage. We enjoyed this relatively carefree atmosphere. While class teachers interviewed parents in classrooms, non-class teachers had a more informal chat with parents waiting outside. Teachers from the Moral Education Group (MEG) interviewed parents of those whose performance required special attention. Several art exhibitions around the campus showcased excellent student work. It was a day when we had a good time together with parents.

2022/23 年度開放教室

▲陳偉傑校長致歡迎詞

疫情過後，社會逐漸復常，同學們的校園生活也恢復如初。因此，學校於四月期間復辦了開放教室計畫，邀請了一年級及四年級的家長進入教室觀課，了解孩子在上課時的情況。

感謝老師們的努力、家長們的支持，活動得以順利進行，四天的觀課日合共有 241 位家長參加，場面非常熱鬧。

家長在觀課時，填寫了一份觀課後感問卷。問卷是根據學校的宗旨——愛心、創意、勤奮而訂定的，讓家長表達對是次觀課的感受和意見。約有 99.3% 家長同意或非常同意老師能關愛學生，於課堂上時常鼓勵、讚賞學生，令課堂氣氛輕鬆愉快。約有 98.7% 家長同意或非常同意老師設計的教學內容和活動有創意，切合學生的需要和能力，並達至預期的目標。約有 98% 家長同意或非常同意學生上課時能專心、守規，並能積極參與、投入學習。

此外，為配合學校推行電子學習的發展，老師在課堂中加入了電子教學的元素，加強教學效能，並提升學生自主學習能力。約有 97.3% 家長同意或非常同意電子工具能有效輔助教學。

觀課後，家長參加了分享會，與校長、老師，以及其他家長分享意見、交流心得。此外，他們還忙著寫感謝卡，表達對老師的謝意。

在此，衷心感謝各位家長一直以來對學校的支持和信任，與學校並肩共行、攜手合作。
