

Parents' Nights

An Inspiring talk by Prof. Li with Anson Ng (10A) and Chelsea Ho (9E)

The Parents' Night event held at our school was a huge success, with an impressive turnout of over 90% of the parents. It was truly heartening to witness the high level of parental engagement and their eagerness to connect with their child's teachers.

A major highlight of the evening was the opportunity for parents to meet with both their child's class teachers and subject teachers. These interactions provided parents with a deeper understanding of their child's school life and academic performance. The teachers, with their expertise and dedication, shared valuable insights, helping parents better support their children's educational journey.

In addition to the meetings, Parents' Night featured an informative talk by Professor Li. Professor Li's presentation shed light on the growing influence of AI in our society and its implications for future generations. Parents gained a greater understanding of the potential impact of AI on various aspects of life, particularly in education. Professor Li emphasized the importance of equipping students with the necessary skills to navigate the digital age and prepare them for the challenges and opportunities ahead.

We express our sincere gratitude to all the parents who attended Parents' Night and actively participated in the discussions. Your involvement and support are invaluable in shaping the educational experiences of our students. We eagerly anticipate future opportunities for connection and knowledge-sharing as we continue to work together in preparing our children for a dynamic future.

G7 Orientation Camp

Students linking like train cars by using balloons

Students working together rolling the Caterpillar Thread

On 18th-19th Sep 2023, our G7 students and class teachers went to an overnight camp at Duke of Edinburgh Training Camp. Students participated in a series of discipline training, team-building activities and adventure challenges such as Ping Pong Rolling, Rolling the Big Tyre and Night Walk. They learned how to cooperate in a team. Also, they had a lot of unforgettable memories with classmates and teachers.

Ms. Sura Ng
Head of Moral Education Group

Student Reflections:

G.T. girls getting excited before going to bed

雖然在這個活動中，我們的組別獲得分數並不高。但在整個迎新營裡我學會了：做事前要好好計劃和想好策略。最重要的是：做任何事都要堅持不要放棄，還有要和人互相合作才能成功。我很欣賞可以獨自完成，全部都要和同學互相合作才可以完成。在這個迎新營中，我和同學的感情增進了，我們更團結。我們能完成所有活動是全班同學的功勞，這次迎新營一定能成為 7B 班的美好回憶。

G.T. students partaking warm up exercises early in the morning

In the game, at first, we finished in 30 seconds. It's quite a long time in finishing this game. After that, we thought of a faster way. Then, we trained for several times. At last, we finished in 10 seconds. I was moved at that moment because I saw all of us were sticking together to achieve a goal. After this activity, everyone smiled. Then I learnt that we should encourage others, observe other's good points and learn from them. Also, I learnt that we should listen to others.

Mr. Alex O showing physics equipment to the KVIS students

From 5-13 October 2023, Vice Principal Phornsant Lertvittayavivat and eight students from Kamnoetvidya Science Academy (KVIS, Thailand) came to GTC for a visit. The program was enriching as the KVIS students had a chance to experience our science curriculum from learning our state-of-the-art science facilities in our science labs to gaining a taste of STEM computerized programming and biological experiments. From the fun and cultural side, students had a chance to learn the traditional art of Chinese calligraphy, roam Sai Kung Seafood Street, ride on the thrilling rides at Ocean Park and enhance their intellectual mindsets in the Hong Kong Science Museum. In short, their visit was a once-in-a-lifetime experience for them and we look forward to seeing them again next year.

GAPSK 小學普通話水平考試

1

2

3

2022-23 年度 GAPSK 普通話水平考試已於今年 7 月圓滿結束，我校五年級同學表現優異，在 109 名應考同學中，獲得卓越一級和二級（90 分以上）的同學達 70 人，他們當中更有 10 位同學獲得卓越一級（97-100 分）的超優成績，真是可喜可賀。GAPSK 考試委員會肯定了我校學生整體普通話能力，並對學生的優異表現予以稱讚。寄望明年，踏入參與 GAPSK 考試的第 17 年，同學們能百尺竿頭，更進一步，取得更加優異的成績。

Exceptional Students with Exceptional English!

In June 2023, Grade 4 students took the Cambridge Flyers exam, and Grade 6 students took the Key English Test (KET) to assess their English language abilities in reading, writing, listening, and speaking.

G.T. students in both Grades 4 and 6 achieved outstanding marks. Of the Grade 4 students who took the Flyers exam, 65% received the maximum score of 15 shields, which is 14% higher than the previous Flyers exam in 2021 where 51% of exam takers received 15 shields. Additionally, 77.9% of Grade 6 students received the exceptional score of Pass with Distinction, which is 16.5% higher than the previous KET exam in 2021 where 61.4% of students received the Pass with Distinction score. Nine of these students earned full marks!

We are extremely proud of our Grade 4 and 6 students and hope they continue to enjoy using the English language to communicate. We are excited to see continued excellence in the future and encourage our students to keep speaking English!

Grade 6 students receiving full marks: Hui Allyson(6B), Kwok Emily(6B), Wong Hailey(6B), Leung Katie(6C), Yip Jasper(6C), Cheung Sofia(6D), Chu Regina(6D), Wong Heman(6D), and Wong Raymond(6D).
