

## Cheer on Day

G12 students and subject teachers taking a group photo together

Principal Dr. Tam delivering an inspiring speech

Cheer on Day was a vibrant celebration for the Grade 12 students, marking their final day of school. The event kicked off with an inspiring speech from Principal Dr. Tam, who emphasized the importance of creativity, integrity, and the pursuit of dreams. He encouraged students to embrace their unique talents and to approach the future with confidence and courage.

After the speech, a delightful buffet lunch was served, where students mingled with their subject teachers, expressing gratitude for the guidance and support they received throughout their academic journey. The atmosphere was filled with laughter, shared memories, and a sense of camaraderie. The festivities continued with engaging Kahoot! trivia quizzes about teachers and students following a prize presentation for winners.

Cheer on Day was not only a celebration of achievements, but also a heartfelt farewell, leaving students with lasting memories and a strong sense of community as they embark on new adventures.

# Gamebooth Day: A Pixel-Perfect Celebration

Excited primary students diving into lucky envelopes to grab voting tickets and pick their favorite booth

Primary students fully focusing to fish for treasures in balloons and win exciting prizes

Students testing their steering skills and gliding abilities through a racing game created by 11A students

The sports-themed project designed by 10E students captivating young soccer enthusiasts

Primary students exploring the adventure route with VR headsets

On January 24th, the Student Union transformed our school into a playground of joy with Gamebooth Day—a blast of fun for primary students and organizers alike! Weeks of preparation paid off as creative game booths, from a Harry Potter-themed quest in Room 604 (with wizard-costumed hosts!) to Pac-Man-inspired decor, brought laughter to every corner.

After school, teams worked magic: glittering decorations, quirky game setups, and even a life-sized Pac-Man board, which turned the halls into a carnival. The big day kicked off with giggles and cheers as students raced between booths, collecting prizes and high-fiving teachers who joined the fun. Room 603's mystery game became an instant hit, leaving everyone grinning ear to ear.

Awards celebrated standout booths, but what is the real win? It is seeing the entire G.T. community light up with excitement. With our biggest January event yet, the Student Union thanks every helper, dreamer, and game master who made this day unforgettable. Stay tuned—next year's booths will level up even more!

## Award Winners

Most Popular Booth Winner:	8F
Second Place:	11A
Third Place:	8D
Creative Game Design Excellence Award:	9E, 10C
Excellence in Booth Design:	8E, 10A
Collaboration Award:	7F, 11C

CHAN Phoebe (10A)  
External Vice President of Student Union

8F being voted as the Most Popular Booth of the day

Vice Principal Mr. Leo Tsui kindly assisting the KSA chaperone teacher with the pronunciation of Chinese sayings

Assistant Principal Dr. Vincent Tam demonstrating an engaging Biology lesson on photosynthesis to KSA students

Ms. Daisy Yung inspiring creativity as she teaches KSA students how to craft their own DIY lamp and decorate crystal bottles

KSA students enthusiastically guessing the meanings of Chinese sayings and reading them aloud

Principal Dr. Tam posing for a joyful group photo along with teachers and students

Principal Dr. Tam, along with our dedicated G.T. teachers and students, warmly welcoming the KSA buddies and their chaperone teacher

We had the incredible privilege of hosting seven KSA exchange students and their chaperone teacher from Korean Science Academy of KAIST from January 13th to 19th, 2025. The school campus came alive with diverse activities, including Talent classes, a DIY night lamp workshop, Sports Friday, and an immersive biology lesson. The KSA students enjoyed the unique opportunity to shadow their G.T. buddies, truly experiencing life at GT. A highlight was their visit to HKUST, where they explored diverse science courses, sparking curiosity and inspiration. The trip to the M+ museum, followed by a delightful lunch at Art Park, added cultural depth. The exhilarating day at Ocean Park, filled with thrilling rides and stunning views, created lasting memories for everyone involved.

基準一級	0	基準一級	0
基準二級	0	基準二級	0
不入等級	0	不入等級	2.61%

## English “Flying” Stars

In the final term of the last school year, both Grade 4 (current Grade 5) and 6 students participated in the Cambridge KET and Flyers exams. The 2023-24 year marked the introduction of voluntary assessments, and the response from both parents and students was positive. Our dedicated teachers invested significant time and effort to prepare the students for these examinations, and their hard work paid off with impressive results.

Among the Grade 4 Flyers participants, 70% achieved perfect scores and distinctions, earning the maximum of 15 shields. Similarly, 60% of the Grade 6 KET participants also secured perfect scores and distinctions with A grades. As we have moved into the 2024-25

school year, our focus has shifted entirely to the KET examination for our Grade 6 students. The enthusiasm for participation has continued to gain considerable interest, reflecting our community's commitment to academic excellence.

Looking ahead, we are excited about the potential for our students to continue excelling in their English language skills. With strong support from our teachers and the GT community, we are optimistic that this trend of success will continue, paving the way for even greater achievements in the future.
