Biography Poster Competition 2021

G7-G9 winners holding their certificates and taking a group photo with Principal Tam and Ms. Jess Wong

Our G7 to G9 students had participated in a biography poster competition organised by the English Department. A number of English teachers also served as judges, headed by Ms. Jess Wong. All winners subsequently attended the award ceremony on May 18, 2021, earning loud applause from the audience.

The contest was held to help students unlock their creative potential in arts and language. From Thomas Edison to Taylor Swift, a broad range of characters were introduced. We are so proud to exhibit their work outside the School Hall. If you can't wait to see more outstanding posters next year, you are certainly not alone!

GTC and MWITS Online Exchange Program 2020 – 21

Group Photo of the GTC MWITS Online Exchange Program

The GTC and MWITS online exchange program was held successfully from 26 to 29 April, 2021. Although students could only meet one another virtually, we are still very proud and glad that they have become friends and shared lots of unforgettable experiences. Thanks to the internet, students took their new friends on a virtual tour and shared the spectacular sceneries in both Hong Kong and Thailand. They also got chances to attend Chemistry, Biology, Cantonese and Thai lessons, draw emojis with zentangle patterns, and discuss the economic and social impacts brought by COVID-19. We are all looking forward to meeting our new friends in person in the future!

Students' Reflections

Winky Chan (11B)

This 4-day exchange program has broadened my horizons and allowed me to gain a global perspective by learning about another culture. Having discussion with MWITS students was enjoyable, as they are all friendly and humorous, making our exchange very relaxing and fun. I'd love to take part in online programmes again if I had the opportunity.

I am so grateful for having this opportunity to join the online exchange. Although we couldn't see Nathaniel Yu (11D) each other face to face, we still managed to make new friends. During the online exchange, I learned more about Thai culture and their festivals. Hope there will be a chance to meet our buddies one day.

Sophie Fung (10D)

Before the actual exchange, I wasn't sure what to expect—I had no idea how an exchange program could be carried out online. In the end, I found that the experience was better than I thought it would be, thanks to our wonderful new friends from Thailand and all the teachers who had prepared fun content to share with us. It would have been better if we had had the exchange in real life, but I still think this was a valuable experience.

Janice Ng (11C)

Although we were not able to travel to Thailand in person, I have gained unexpected cultural experiences, for instance, learning a new language and communicating with foreign friends. It is really an honour to participate in this program. I hope the international exchange programs can be successfully resumed after the
